1104 of a city, or council of a town, responsible for appropriating funds for such locality, as the context may

1114 "Superintendent" means the Superintendent of Public Instruction.

1115 **§ 22.1-19. Accreditation of elementary, middle, and high schools; nursery schools;**  
1116 **recognition of certain organizations; child day center regulation.**

1117 The Board shall provide for the accreditation of public elementary, middle, and high schools in  
1118 accordance with standards prescribed by it. The Board may provide for the accreditation of private  
1119 elementary, middle, and high schools in accordance with standards prescribed by it, taking reasonably into  
1120 account the special circumstances and factors affecting such private schools. The Board in its discretion

1121 may recommend provisions for accreditation standards for private nursery schools. Any such accreditation  
1122 shall be at the request of the private school only.

1123 For the purposes of facilitating the transfer of academic credits for students who have attended  
1124 private schools and are enrolling in public schools, and to meet the requirements of § ~~63.2-1717~~ 22.1-  
1125 289.032, the Board of Education shall authorize, in a manner it deems appropriate, the Virginia Council  
1126 for Private Education to accredit private nursery, preschool, elementary, and secondary schools.

1127 **§ 22.1-199.1. Programs designed to promote educational opportunities.**

1128 A. The General Assembly finds that Virginia educational research supports the conclusion that  
1129 poor children are more at risk of educational failure than children from more affluent homes and that  
1130 reduced pupil/teacher ratios and class sizes result in improved academic performance among young  
1131 children; to this end, the General Assembly establishes a long-term goal of reducing pupil/teacher ratios  
1132 and class sizes for grades K through three in those schools in the Commonwealth with high or moderate  
1133 concentrations of at-risk students.

1134 With such funds as are provided in the appropriation act for this purpose, there is hereby  
1135 established the statewide voluntary pupil/teacher ratio and class size reduction program for the purpose of  
1136 reaching the long-term goal of statewide voluntary pupil/teacher ratio and class size reductions for grades  
1137 K through three in schools with high or moderate concentrations of at-risk students, consistent with the  
1138 provisions provided in the appropriation act.

1139 In order to facilitate these primary grade ratio and class size reductions, the Department of  
1140 Education shall calculate the state funding of these voluntary ratio and class size reductions based on the  
1141 incremental cost of providing the lower class sizes according to the greater of the division average per-  
1142 pupil cost of all divisions or the actual division per-pupil cost. Localities shall provide matching funds for  
1143 these voluntary ratio and class size reductions based on the composite index of local ability to pay. School  
1144 divisions shall notify the Department of Education of their intention to implement the reduced ratios and  
1145 class sizes in one or more of their qualifying schools by August 1 of each year. By March 31 of each year,  
1146 school divisions shall forward data substantiating that each participating school has a complying  
1147 pupil/teacher ratio.

1148 In developing each proposed biennium budget for public education, the Board of Education shall  
1149 include funding for these ratios and class sizes. These ratios and class sizes shall be included in the annual  
1150 budget for public education.

1151 B. The General Assembly finds that educational technology is one of the most important  
1152 components, along with highly skilled teachers, in ensuring the delivery of quality public school education  
1153 throughout the Commonwealth. Therefore, the Board of Education shall strive to incorporate  
1154 technological studies within the teaching of all disciplines. Further, the General Assembly notes that  
1155 educational technology can only be successful if teachers and administrators are provided adequate  
1156 training and assistance. To this end, the following program is established.

1157 With such funds as are appropriated for this purpose, the Board of Education shall award to the  
1158 several school divisions grants for expanded access to educational technology. Funding for educational  
1159 technology training for instructional personnel shall be provided as set forth in the appropriation act.

1160 Funds for improving the quality and capacity of educational technology shall also be provided as  
1161 set forth in the appropriation act, including, but not limited to, (i) funds for providing a technology resource  
1162 assistant to serve every elementary school in this Commonwealth beginning on July 1, 1998, and (ii) funds  
1163 to maintain the currency of career and technical education programs. Any local school board accepting  
1164 funds to hire technology resource assistants or maintain currency of career and technical education  
1165 programs shall commit to providing the required matching funds, based on the composite index of local  
1166 ability to pay.

1167 Each qualifying school board shall establish an individualized technology plan, which shall be  
1168 approved by the Superintendent of Public Instruction, for integrating technology into the classroom and  
1169 into schoolwide instructional programs, including career and technical education programs. The grants  
1170 shall be prioritized as follows:

1171 1. In the 1994 biennium, the first priority for these funds shall be to automate the library media  
1172 centers and provide network capabilities in Virginia's elementary, middle and high schools, or  
1173 combination thereof, in order to ensure access to the statewide library and other information networks. If  
1174 any elementary, middle or high school has already met this priority, the 1994 biennium grant shall be used

1175 to provide other educational technologies identified in the relevant division's approved technology plan,  
1176 such as multimedia and telecomputing packages, integrated learning systems, laptop computer loan  
1177 programs, career and technical education laboratories or other electronic techniques designed to enhance  
1178 public education and to facilitate teacher training in and implementation of effective instructional  
1179 technology. The Board shall also distribute, as provided in the appropriation act, funds to support the  
1180 purchase of electronic reference materials for use in the statewide automated reference system.

1181 2. In the 1996 biennium and thereafter, the first priority for funding shall be consistent with those  
1182 components of the Board of Education's revised six-year technology plan which focus on (i) retrofitting  
1183 and upgrading existing school buildings to efficiently use educational technology; (ii) providing (a) one  
1184 network-ready multimedia microcomputer for each classroom, (b) a five-to-one ratio of pupils to network-  
1185 ready microcomputers, (c) graphing calculators and relevant scientific probes/sensors as required by the  
1186 Standards of Learning, and (d) training and professional development on available technologies and  
1187 software to all levels and positions, including professional development for personnel delivering career  
1188 and technical education at all levels and positions; and (iii) assisting school divisions in developing  
1189 integrated voice-, video-, and data-connectivity to local, national and international resources.

1190 This funding may be used to implement a local school division's long-range technology plan, at  
1191 the discretion of the relevant school board, if the local plan meets or exceeds the goals and standards of  
1192 the Board's revised six-year technology plan and has been approved by the Superintendent of Public  
1193 Instruction.

1194 3. The Departments of Education, Information Technology, and General Services shall coordinate  
1195 master contracts for the purchase by local school boards of the aforementioned educational technologies  
1196 and reference materials.

1197 4. Beginning on July 1, 1998, a technology replacement program shall be, with such funds as may  
1198 be appropriated for this purpose, implemented to replace obsolete educational hardware and software. As  
1199 provided in subsection D of § 22.1-129, school boards may donate obsolete educational technology  
1200 hardware and software which are being replaced. Any such donations shall be offered to other school  
1201 divisions and to preschool programs in the Commonwealth, or to public school students as provided in

guidelines to be promulgated by the Board of Education. Such guidelines shall include criteria for determining student eligibility and need; a reporting system for the compilation of information concerning the number and socioeconomic characteristics of recipient students; and notification of parents of the availability of such donations of obsolete educational hardware and software.

5. In fiscal year 2000, the Board of Education shall, with such funds as are appropriated for this purpose, contract for the development or purchase of interactive educational software and other instructional materials designed as tutorials to improve achievement on the Standards of Learning assessments. Such interactive educational software and other instructional materials may be used in media centers, computer laboratories, libraries, after-school or before-school programs or remedial programs by teachers and other instructional personnel or provided to parents and students to be used in the home. This interactive educational software and other instructional materials shall only be used as supplemental tools for instruction, remediation, and acceleration of the learning required by the K through 12 Standards of Learning objectives.

Consistent with school board policies designed to improve school-community communications and guidelines for providing instructional assistance in the home, each school division shall strive to establish a voice mail communication system after regular school hours for parents, families, and teachers by the year 2000.

~~C. The General Assembly finds that effective prevention programs designed to assist children at risk of school failure and dropout are practical mechanisms for reducing violent and criminal activity and for ensuring that Virginia's children will reach adulthood with the skills necessary to succeed in the twenty-first century; to this end, the following program is hereby established. With such funds as are appropriated for this purpose, the General Assembly hereby establishes a grant program to be disbursed by the Department of Education to schools and community-based organizations to provide quality preschool programs for at-risk four-year-olds who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten.~~

~~The grants shall be used to provide at least half-day services for the length of the school year for at-risk four-year-old children who are unserved by Head Start programs and for at-risk five-year-olds who~~

1229 are not eligible to attend kindergarten. The services shall include quality preschool education, health  
1230 services, social services, parental involvement including activities to promote family literacy, and  
1231 transportation.

1232 The Department of Education, in cooperation with such other state agencies that may coordinate  
1233 child day care and early childhood programs, shall establish guidelines for quality preschool education  
1234 and criteria for the service components, consistent with the findings of the November 1993 study by the  
1235 Board of Education, the Department of Education, and the Council on Child Day Care and Early  
1236 Childhood Programs.

1237 The guidelines for quality preschool education and criteria for preschool education services may  
1238 be differentiated according to the agency providing the services in order to comply with various relevant  
1239 federal or state requirements. However, the guidelines for quality preschool education and the criteria for  
1240 preschool education services shall require when such services are being provided by the public schools of  
1241 the Commonwealth, and may require for other service providers, that (i) one teacher shall be employed  
1242 for any class of nine students or less, (ii) if the average daily membership in any class exceeds nine students  
1243 but does not exceed 18, a full time teacher's aide shall be assigned to the class, and (iii) the maximum  
1244 class size shall be 18 students.

1245 School divisions may apply for and be granted waivers from these guidelines by the Department  
1246 of Education.

1247 During the 1995-1996 fiscal year, the Board of Education shall, with such funds as are appropriated  
1248 for this purpose, distribute grants, based on an allocation formula providing the state share of the grant per  
1249 child, as specified in the appropriation act, for 30 percent of the unserved at-risk four-year-olds in the  
1250 Commonwealth pursuant to the funding provided in the appropriation act.

1251 During the 1996-1997 fiscal year and thereafter, grants shall be distributed, with such funds as are  
1252 appropriated for this purpose, based on an allocation formula providing the state share of the grant per  
1253 child, as specified in the appropriation act, for at least 60 percent of the unserved at-risk four-year-olds  
1254 and five-year-olds who are not eligible to attend kindergarten in the Commonwealth, such 60 percent to

1255 ~~be calculated by adding services for 30 percent more of the unserved at-risk children to the 30 percent of~~  
1256 ~~unserved at-risk children in each locality provided funding in the appropriation act.~~

1257 ~~Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and may~~  
1258 ~~use federal funds or local funds for this expansion or may seek funding through this grant program for~~  
1259 ~~such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent~~  
1260 ~~allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.~~

1261 ~~In order for a locality to qualify for these grants, the local governing body shall commit to~~  
1262 ~~providing the required matching funds, based on the composite index of local ability to pay. Localities~~  
1263 ~~may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing~~  
1264 ~~qualifying programs and shall also continue to pursue and coordinate other funding sources, including~~  
1265 ~~child-care subsidies. Funds received through this program shall be used to supplement, not supplant, any~~  
1266 ~~local funds currently provided for preschool programs within the locality.~~

1267 ~~D.~~ The General Assembly finds that local autonomy in making decisions on local educational  
1268 needs and priorities results in effective grass-roots efforts to improve education in the Commonwealth's  
1269 public schools only when coupled with sufficient state funding; to this end, the following block grant  
1270 program is hereby established. With such funds as are provided in the appropriation act, the Department  
1271 of Education shall distribute block grants to localities to enable compliance with the Commonwealth's  
1272 requirements for school divisions in effect on January 1, 1995. Therefore, for the purpose of such  
1273 compliance, the block grant herein established shall consist of a sum equal to the amount appropriated in  
1274 the appropriation act for the covered programs, including the at-risk add-on program; dropout prevention,  
1275 specifically Project YES; Project Discovery; English as a second language programs, including programs  
1276 for overage, nonschooled students; Advancement Via Individual Determination (AVID); the Homework  
1277 Assistance Program; programs initiated under the Virginia Guaranteed Assistance Program, except that  
1278 such funds shall not be used to pay any expenses of participating students at institutions of higher  
1279 education; Reading Recovery; and school/community health centers. Each school board may use any  
1280 funds received through the block grant to implement the covered programs and other programs designed  
1281 to save the Commonwealth's children from educational failure.

**1282** E.D. In order to reduce pupil/teacher ratios and class sizes in elementary schools, from such funds  
**1283** as may be appropriated for this purpose, each school board may employ additional classroom teachers,  
**1284** remedial teachers, and reading specialists for each of its elementary schools over the requirements of the  
**1285** Standards of Quality. State and local funding for such additional classroom teachers, remedial teachers,  
**1286** and reading specialists shall be apportioned as provided in the appropriation act.

**1287** F. E. Pursuant to a turnaround specialist program administered by the Department of Education,  
**1288** local school boards may enter into agreements with individuals to be employed as turnaround specialists  
**1289** to address those conditions at the school that may impede educational progress and effectiveness and  
**1290** academic success. Local school boards may offer such turnaround specialists or other administrative  
**1291** personnel incentives such as increased compensation, improved retirement benefits in accordance with  
**1292** Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-  
**1293** 603, relocation expenses, bonuses, and other incentives as may be determined by the board.

**1294**            G-F. The General Assembly finds that certain schools have particular difficulty hiring teachers for  
**1295**            certain subject areas and that the need for such teachers in these schools is particularly strong. Accordingly  
**1296**            in an effort to attract and retain high quality teachers, local school boards may offer instructional personnel  
**1297**            serving in such schools as a member of a middle school teacher corps administered by the Department of  
**1298**            Education incentives such as increased compensation, improved retirement benefits in accordance with  
**1299**            Chapter 6.2 (§ 51.1-617 et seq.) of Title 51.1, increased deferred compensation in accordance with § 51.1-  
**1300**            603, relocation expenses, bonuses, and other incentives as may be determined by the board.

1301 For purposes of this subsection, "middle school teacher corps" means licensed instructional  
1302 personnel who are assigned to a local school division to teach in a subject matter in grades six, seven, or  
1303 eight where there is a critical need, as determined by the Department of Education. The contract between  
1304 such persons and the relevant local school board shall specify that the contract is for service in the middle  
1305 school teacher corps.

## 1306 CHAPTER 14.1.

## 1307 EARLY CHILDHOOD CARE AND EDUCATION.

1308 Article 1.

1309 General Provisions.

1310 **§ 22.1-289.02. Definitions.**

1312 "Child day center" means a child day program offered to (i) two or more children under the age of  
1313 13 in a facility that is not the residence of the provider or of any of the children in care or (ii) 13 or more  
1314 children at any location.

1315 "Child day program" means a regularly operating service arrangement for children where, during  
1316 the absence of a parent or guardian, a person or organization has agreed to assume responsibility for the

1323 compensation. The provider of a licensed or registered family day home shall disclose to the parents or  
1324 guardians of children in their care the percentage of time per week that persons other than the provider  
1325 will care for the children. Family day homes serving five through 12 children, exclusive of the provider's  
1326 own children and any children who reside in the home, shall be licensed. However, no family day home  
1327 shall care for more than four children under the age of two, including the provider's own children and any  
1328 children who reside in the home, unless the family day home is licensed or voluntarily registered.

1330 shall not be required to be licensed.

1331 "Family day system" means any person who approves family day homes as members of its system;

"Publicly funded provider" means any (i) educational program provided by a school division or local government to children between birth and age five or (ii) child day program that receives state or federal funds in support of its operations that serves three or more unrelated children. "Registered family day home" means any family day home that has met the standards for voluntary registration for such homes pursuant to regulations adopted by the Board and that has obtained a certificate of registration from the Superintendent.

**§ 22.1-289.03. Early childhood care and education system; establishment.**

A. The Board shall establish a statewide unified public-private system for early childhood care and education in the Commonwealth to ensure that every child has the opportunity to enter kindergarten healthy and ready to learn. Such system shall be administered by the Board, the Superintendent, and the Department and shall be formed, implemented, and sustained through a structure that engages and leverages both state-level authority and regional-level public-private partnership assets.

B. It is the intent of the General Assembly that the system established pursuant to subsection A shall (i) provide families with coordinated access for referral to early childhood education programs, (ii) provide families with easy-to-understand information about the quality of publicly funded early childhood care and education programs, (iii) establish expectations for the continuous improvement of early childhood care and education programs, and (iv) establish shared expectations for early childhood care and education programs among the Department of Education, the Department of Social Services, local school divisions, and state and regional stakeholders.

C. The system established pursuant to subsection A shall consist of a combination of programs offered through (i) the Virginia Preschool Initiative, pursuant to § 22.1-289.09, or any other school-based early childhood care and education program; (ii) licensed programs, pursuant to Article 3 (§ 22.1-289.010 et seq.); and (iii) unlicensed programs, pursuant to Article 4 (§ 22.1-289.030 et seq.).

**§ 22.1-289.04. Early childhood care and education advisory committee.**

The Board shall establish an early childhood care and education advisory committee to advise the Board on programs, systems, and regulations established pursuant to this chapter. The advisory committee shall include the following members, who shall represent geographically diverse areas: (i) two representatives of publicly funded licensed providers, including at least one for-profit provider; (ii) one representative of an early childhood care and education entity that is not a publicly funded provider; (iii) two representatives of early childhood care and education entities that are license-exempt pursuant to Article 4 (§ 22.1-289.030 et seq.), including one representative of an early childhood care and education entity that is exempt from licensure pursuant to § 22.1-289.031; (iv) three representatives of Head Start providers, one of which shall be operated by a local school division, and two of which shall not be operated by a local school division; (v) two representatives from local school divisions or local school boards operating early childhood programs other than Head Start providers; (vi) two representatives of nonprofit advocacy organizations in the Commonwealth that focus on early childhood care and education; (vii) one representative of a family day home that is a publicly funded provider; (viii) two professionals or faculty members from an institution of higher education in the Commonwealth who have child development or early childhood education expertise; (ix) one representative from the Virginia chapter of the American Academy of Pediatrics; (x) one representative from an advocacy or service organization that focuses on serving children with disabilities; (xi) one representative from a business in the Commonwealth; (xii) one parent of a child currently enrolled in a preschool program offered by a publicly funded provider; (xiii) one representative of the Virginia Council on Private Education; (xiv) one representative from a statewide nonprofit association in the Commonwealth whose membership includes both before-school and afterschool nonprofit child care providers and nonprofit preschool providers; and (xv) such other members as the Board may deem appropriate. The Board shall establish bylaws for such advisory committee that include term length and limits for members.

**§ 22.1-289.05. Quality rating and improvement system; establishment.**

A. The Board shall establish a uniform quality rating and improvement system designed to provide parents and families with information about the quality and availability of publicly funded providers. Such system shall include:

1. Service provision and performance targets for children from birth to age five that align with standards for kindergarten readiness and early elementary grades;
2. Consistent quality standards;
3. Outcome-based measurements; and
4. Incentives to encourage participation and improvement.

B. All publicly funded providers shall be required to participate in the quality rating and improvement system established pursuant to subsection A. All other child day programs may participate in such system. Any participation in such system shall comply with all applicable federal laws and regulations, including the federal Head Start Act (42 U.S.C. § 9801 et seq.), as amended, and associated regulations.

C. The Board shall establish consequences for publicly funded providers that fail to participate in the quality rating and improvement system established pursuant to subsection A or persistently fail to meet minimal quality standards.

**§ 22.1-289.06. Confidential records and information; penalty.**

A. The records, information, and statistical registries of the Department and of all child day programs concerning services to or on behalf of individuals shall be confidential information, provided that the Superintendent, the Board, and their agents or designees shall have access to such records.

It shall be unlawful for any officer, agent, or employee of any child day program; for the Superintendent, the State Board, or their agents, designees, or employees; for any person who has held any such position; and for any other person to whom any such record or information is disclosed to disclose, directly or indirectly, any such confidential record or information, except as herein provided or pursuant to § 63.2-105. Every violation of this section shall constitute a Class 1 misdemeanor.

B. If a request for a record or information concerning applicants for and recipients of services provided in this chapter is made to the Department by a person who does not have a legitimate interest, the Superintendent shall not provide the record or information unless permitted by state or federal law or regulation.

**§ 22.1-289.07. Information related to shaken baby syndrome.**

The Department shall make information about shaken baby syndrome, its effects, and resources for help and support for caretakers in a printable format, and information about how to acquire information about shaken baby syndrome and its effects in an audiovisual format, available to the public on its website. Such information shall be provided to every child day program required to be licensed by the Department at the time of initial licensure and upon request.

**§ 22.1-289.08. Board to investigate child day programs at direction of Governor.**

Whenever the Governor considers it proper or necessary to investigate the management of any child day program licensed by or required to be inspected by the Board under the provisions of this chapter, he may direct the Board, or any committee or agent thereof, to make the investigation. Article 2.

Virginia Preschool Initiative.

**§ 22.1-289.09. Programs designed to promote educational opportunities.**

A. The General Assembly finds that effective prevention programs designed to assist children at risk of school failure and dropout are practical mechanisms for reducing violent and criminal activity and for ensuring that Virginia's children will reach adulthood with the skills necessary to succeed; to this end, the following program is hereby established. With such funds as are appropriated for this purpose, the General Assembly hereby establishes the Virginia Preschool Initiative as a grant program to be disbursed by the Department of Education to schools and community-based organizations to provide quality preschool programs for at-risk three-year-olds and four-year-olds who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten.

B. Grants shall be used to provide at least half-day services for the length of the school year for at-risk three-year-old and four-year-old children who are unserved by Head Start programs and for at-risk five-year-olds who are not eligible to attend kindergarten. The services shall include quality preschool education; health services, including nutrition access programs; social services; parental involvement, including activities to promote family literacy; and transportation.

C. The guidelines for quality preschool education and criteria for preschool education services may be differentiated according to the agency providing the services in order to comply with various relevant federal or state requirements.

1. Any classroom that exceeds benchmarks set by the Board shall be staffed as follows: (i) at least one teacher shall be provided for any classroom with 10 students or fewer students; (ii) if the average daily membership in any classroom exceeds 10 students but does not exceed 20 students, at least one full-time teacher's aide shall be assigned to the classroom; and (iii) the maximum classroom size shall be 20 students.

2. Any classroom that does not exceed benchmarks set by the Board shall be staffed as follows: (i) at least one teacher shall be provided for any classroom with nine or fewer students; (ii) if the average daily membership in any classroom exceeds nine students but does not exceed 18 students, a full-time teacher's aide shall be assigned to such classroom; and (iii) the maximum classroom size shall be 18 students.

1470 D. School divisions and other grantees may apply for and be granted waivers from these guidelines  
1471 by the Department of Education. Grants shall be distributed, with such funds as are appropriated for this  
1472 purpose, based on an allocation formula providing the state share of the grant per child, as specified in the  
1473 appropriation act, for at least 60 percent of the unserved at-risk four-year-olds and five-year-olds who are  
1474 not eligible to attend kindergarten in the Commonwealth, such 60 percent to be calculated by adding  
1475 services for 30 percent more of the unserved at-risk children to the 30 percent of unserved at-risk children  
1476 in each locality provided funding in the appropriation act.

1477 E. Local school boards may elect to serve more than 60 percent of the at-risk four-year-olds and  
1478 may use federal funds or local funds for this expansion or may seek funding through this grant program  
1479 for such purposes. Grants may be awarded, if funds are available in excess of the funding for the 60 percent  
1480 allocation, to expand services to at-risk four-year-olds beyond the 60 percent goal.

1481 F. In order for a locality to qualify for these grants, the local governing body shall commit to  
1482 providing the required matching funds, based on the composite index of local ability to pay. Localities  
1483 may use, for the purposes of meeting the local match, local or other nonstate expenditures for existing  
1484 qualifying programs and shall also continue to pursue and coordinate other funding sources, including  
1485 child care subsidies. Funds received through this program shall be used to supplement, not supplant, any  
1486 local funds currently provided for preschool programs within the locality.

1487 Article 3.

1488 Licensure.

1489 **§ 22.1-289.010. Application fees; regulations and schedules; use of fees; certain facilities,**  
1490 **centers and agencies exempt.**

1491 The Board is authorized to adopt regulations and schedules for fees to be charged for processing  
1492 applications for licenses to operate child day programs. Such schedules shall specify minimum and  
1493 maximum fees and, where appropriate, gradations based on the capacity of such facilities, centers, and  
1494 agencies. Fees shall be used for the development and delivery of training for operators and staff of  
1495 facilities, centers, and agencies. Fees shall be expended for this purpose within two fiscal years following

the fiscal year in which they are collected. These fees shall not be applicable to facilities, centers, or agencies operated by federal entities.

The Board shall develop training programs for operators and staffs of licensed child day programs. Such programs shall include formal and informal training offered by institutions of higher education, state and national associations representing child care professionals, local and regional early childhood educational organizations, state agencies and other trainers designated by the Board, and licensed child care providers. Training provided to operators and staffs of licensed child day programs shall include training and information regarding shaken baby syndrome, its effects, and resources for help and support for caretakers. To the maximum extent possible, the Board shall ensure that all provider interests are represented and that no single approach to training shall be given preference.

**§ 22.1-289.011. Licenses required; issuance, expiration, and renewal; maximum number of participants or children; posting of licenses.**

A. As used in this section, "person" means any individual; corporation; partnership; association; limited liability company; local government; state agency, including any department, institution, authority, instrumentality, board, or other administrative agency of the Commonwealth; or other legal or commercial entity that operates or maintains a child day program.

B. Every person who constitutes, or who operates or maintains, a child day program shall obtain the appropriate license from the Superintendent, which may be renewed. The Superintendent, upon request, shall consult with, advise, and assist any person interested in securing and maintaining any such license. Each application for a license shall be made to the Superintendent, in such form as he may prescribe. It shall contain the name and address of the applicant and, if the applicant is an association, partnership, limited liability company, or corporation, the names and addresses of its officers and agents. The application shall also contain a description of the activities proposed to be engaged in and the facilities and services to be employed, together with other pertinent information as the Superintendent may require.

C. The licenses shall be issued on forms prescribed by the Superintendent. Any two or more licenses may be issued for concurrent operation of more than one child day program, but each license shall be issued upon a separate form. Each license for a child day program and renewals thereof may be issued

for periods of up to three successive years, unless sooner revoked or surrendered. Licenses issued to child day centers under this chapter shall have a duration of two years from date of issuance.

D. The Superintendent may extend or shorten the duration of licensure periods for a child day program whenever, in his sole discretion, it is administratively necessary to redistribute the workload for greater efficiency in staff utilization.

E. Each license shall indicate the maximum number of persons who may be cared for in the child day program for which it is issued.

F. The license and any other documents required by the Superintendent shall be posted in a conspicuous place on the licensed premises.

G. Every person issued a license that has not been suspended or revoked shall renew such license prior to its expiration.

**§ 22.1-289.012. Local government to report business licenses issued to child day centers and family day homes.**

The commissioner of the revenue or other local business license official shall report to the Department on a semiannual basis the name, address, and contact information of any child day center or family day home to which a business license was issued.

**§ 22.1-289.013. Investigation on receipt of application.**

Upon receipt of the application, the Superintendent shall cause an investigation to be made of the activities, services, and facilities of the applicant and of his character and reputation or, if the applicant is an association, partnership, limited liability company, or corporation, the character and reputation of its officers and agents, and upon receipt of the initial application, an investigation of the applicant's financial responsibility. The financial records of an applicant shall not be subject to inspection if the applicant submits an operating budget and at least one credit reference. The character and reputation investigation upon application shall include background checks pursuant to § 22.1-289.036. Records that contain confidential proprietary information furnished to the Department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § 2.2-3705.5.

**§ 22.1-289.014. Variances.**

The Superintendent may grant a variance to a regulation when the Superintendent determines that (i) a licensee or applicant for licensure as a child day program has demonstrated that the implementation of a regulation would impose a substantial financial or programmatic hardship and (ii) the variance would not adversely affect the safety and well-being of children in care. The Superintendent shall review each allowable variance at least annually. At a minimum, this review shall address the impact of the allowable variance on persons in care, adherence by the licensee to any conditions attached, and the continuing need for the allowable variance.

**§ 22.1-289.015. Voluntary registration of family day homes; inspections; investigation upon receipt of complaint; revocation or suspension of registration.**

A. Any person who maintains a family day home serving fewer than five children, exclusive of the provider's own children and any children who reside in the home, may apply for voluntary registration.

An applicant for voluntary registration shall file with the Superintendent, prior to beginning any such operation and thereafter biennially, an application which shall include, but not be limited to, the following:

1. The name, address, phone number, and social security number of the person maintaining the family day home;

2. The number and ages of the children to receive care;

3. A sworn statement or affirmation in which the applicant attests to the accuracy of the information submitted to the Superintendent; and

4. Documentation that the background check requirements for registered child day programs in Article 5 (§ 22.1-289.034 et seq.) have been met.

B. The Board shall adopt regulations for voluntarily registered family day homes that include, but are not limited to:

1. The criteria and process for the approval of the certificate of registration;

2. Requirements for a self-administered health and safety guidelines evaluation checklist;

3. A schedule for fees to be paid by the providers to the contract organization or to the Department if it implements the provisions of this section for processing applications for the voluntary registration of

1576 family day homes. The charges collected shall be maintained for the purpose of recovering administrative  
1577 costs incurred in processing applications and certifying such homes as eligible or registered;

1578 4. The criteria and process for the renewal of the certificate of registration; and

1579 5. The requirement that upon receipt of a complaint concerning a registered family day home, the  
1580 Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary, of  
1581 the activities, services, and facilities. The person who maintains such home shall afford the Superintendent  
1582 reasonable opportunity to inspect the operator's facilities and records and to interview any employees and  
1583 any child or other person within his custody or control. Whenever a registered family day home is  
1584 determined by the Superintendent to be in noncompliance with the regulations for voluntarily registered  
1585 family day homes, the Superintendent shall give reasonable notice to the operator of the nature of the  
1586 noncompliance and may thereafter revoke or suspend the registration.

1587 C. Upon receiving the application on forms prescribed by the Superintendent, and after having  
1588 determined that the home has satisfied the requirements of the regulations for voluntarily registered family  
1589 day homes, the Superintendent shall issue a certificate of registration to the family day home.

1590 D. The Superintendent shall contract in accordance with the requirements of the Virginia Public  
1591 Procurement Act (§ 2.2-4300 et seq.) with qualified local agencies and community organizations to review  
1592 applications and certify family day homes as eligible for registration, pursuant to the regulations for  
1593 voluntarily registered family day homes. If no qualified local agencies or community organizations are  
1594 available, the Superintendent shall implement the provisions of this section. For the purposes of this  
1595 subsection, "qualified" means demonstrated ability to provide sound financial management and  
1596 administrative services including application processing, maintenance of records and reports, technical  
1597 assistance, consultation, training, monitoring, and random inspections.

1598 E. The scope of services in contracts shall include:

1599 1. The identification of family day homes which may meet the standards for voluntary registration  
1600 provided in subsection A; and

1601 2. A requirement that the contract organization shall provide administrative services, including,  
1602 but not limited to, processing applications for the voluntary registration of family day homes; certifying

such homes as eligible for registration; providing technical assistance, training and consultation with family day homes; ensuring providers' compliance with the regulations for voluntarily registered family day homes, including monitoring and random inspections; and maintaining permanent records regarding all family day homes which it may certify as eligible for registration.

F. The contract organization, upon determining that a family day home has satisfied the requirements of the regulations for voluntarily registered family day homes, shall certify the home as eligible for registration on forms prescribed by the Superintendent. The Superintendent, upon determining that certification has been properly issued, may register the family day home.

G. The provisions of this section shall not apply to any family day home located in a county, city, or town in which the governing body provides by ordinance for the regulation and licensing of persons who provide child-care services for compensation and for the regulation and licensing of child-care facilities pursuant to the provisions of § 15.2-914.

**§ 22.1-289.016. Unlicensed and unregistered family day homes; notice to parents.**

Every unlicensed, unregistered family day home shall provide written notice to the parents of every child receiving care, at the time the family day home begins providing care for the child, stating that the family day home is not regulated by the Department and referring parents to a website maintained by the Department for additional information regarding licensed, registered, and unlicensed, unregistered family day homes. The provisions of this section shall not apply to an unlicensed, unregistered family day home in which all of the children receiving care are related to the provider by blood or marriage.

**§ 22.1-289.017. Compliance with Uniform Statewide Building Code.**

Buildings licensed as child day programs shall be classified by and meet the specifications for the proper Use Group as required by the Virginia Uniform Statewide Building Code.

**§ 22.1-289.018. Inspections and interviews.**

A. Applicants for licensure and licensees shall at all times afford the Superintendent reasonable opportunity to inspect all of their facilities, books and records, and to interview their agents and employees and any person living or participating in such facilities, or under their custody, control, direction, or supervision. Interviews conducted pursuant to this section with persons living or participating in a facility

operated by or under the custody, control, direction, or supervision of an applicant for licensure or a licensee shall be (i) authorized by the person to be interviewed or his legally authorized representative and (ii) limited to discussion of issues related to the applicant's or licensee's compliance with applicable laws and regulations, including ascertaining if assessments and reassessments of residents' cognitive and physical needs are performed as required under regulations of the Board.

B. All licensed child day programs shall be inspected not less than twice annually, and one of those inspections shall be unannounced.

C. The activities, services, and facilities of each applicant for renewal of his license as a child day program shall be subject to an inspection or examination by the Superintendent to determine if he is in compliance with current regulations of the Board.

D. The Superintendent may authorize such other announced or unannounced inspections as the Superintendent considers appropriate.

**§ 22.1-289.019. Inspections of child day programs; prioritization.**

The Superintendent shall prioritize inspections of child day programs in the following order: (i) inspections conducted in response to a complaint involving a licensed, registered, license-exempt, or unlicensed child day program; (ii) inspections of licensed or registered child day programs that are not conducted in response to a complaint; (iii) inspections of license-exempt or unlicensed child day programs that have entered into a contract with the Department or its agents or designees or a local department to provide child care services funded by the Child Care and Development Block Grant, other than inspections conducted in response to a complaint; and (iv) inspections of license-exempt and unlicensed child day programs that are not conducted in response to a complaint.

**§ 22.1-289.020. Issuance or refusal of license; notification; provisional and conditional licenses.**

Upon completion of his investigation, the Superintendent shall issue an appropriate license to the applicant if (i) the applicant has made adequate provision for such activities, services, and facilities as are reasonably conducive to the welfare of the children over whom he may have control; (ii) at the time of initial application, the applicant has submitted an operating budget and at least one credit reference; (iii)

he is, or the officers and agents of the applicant if it is an association, partnership, limited liability company, or corporation are, of good character and reputation; and (iv) the applicant and agents comply with the provisions of this chapter. Otherwise, the license shall be denied. Immediately upon taking final action, the Superintendent shall notify the applicant of such action.

Upon completion of the investigation for the renewal of a license, the Superintendent may issue a provisional license to any applicant if the applicant is temporarily unable to comply with all of the licensure requirements. The provisional license may be renewed, but the issuance of a provisional license and any renewals thereof shall be for no longer a period than six successive months. A copy of the provisional license shall be prominently displayed by the provider at each public entrance of the subject facility and shall be printed in a clear and legible size and style. In addition, the facility shall be required to prominently display next to the posted provisional license a notice that a description of specific violations of licensing standards to be corrected and the deadline for completion of such corrections is available for inspection at the facility and on the facility's website, if applicable.

At the discretion of the Superintendent, a conditional license may be issued to an applicant to operate a new facility in order to permit the applicant to demonstrate compliance with licensure requirements. Such conditional license may be renewed, but the issuance of a conditional license and any renewals thereof shall be for no longer a period than six successive months.

**§ 22.1-289.021. Records and reports.**

Every licensed or registered child day program shall keep such records and make such reports to the Superintendent as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Superintendent.

**§ 22.1-289.022. Enforcement and sanctions; child day programs; revocation and denial.**

A. The Superintendent may revoke or deny the renewal of the license of any child day program that violates any provision of this chapter or fails to comply with the limitations and standards set forth in its license.

B. Pursuant to the procedures set forth in subsection C, and in addition to the authority for other disciplinary actions provided in this title, the Superintendent may issue a notice of summary suspension

of the license of any child day program, in conjunction with any proceeding for revocation, denial, or other action, when conditions or practices exist in the child day program that pose an immediate and substantial threat to the health, safety, and welfare of the children receiving care, and the Superintendent believes the operation of the child day program should be suspended during the pendency of such proceeding.

C. A notice of summary suspension issued by the Superintendent to a child day program shall set forth (i) the summary suspension procedures; (ii) hearing and appeal rights as provided in this subsection; (iii) facts and evidence that formed the basis for the summary suspension; and (iv) the time, date, and location of a hearing to determine whether the summary suspension is appropriate. Such notice shall be served on the child day program or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the child day program.

The summary suspension hearing shall be presided over by a hearing officer selected by the Superintendent from a list prepared by the Executive Secretary of the Supreme Court of Virginia and shall be held as soon as practicable, but in no event later than 15 business days following service of the notice of summary suspension; however, the hearing officer may grant a written request for a continuance, not to exceed an additional 10 business days, for good cause shown. Within 10 business days after such hearing, the hearing officer shall provide to the Superintendent written findings and conclusions, together with a recommendation as to whether the license should be summarily suspended.

Within 10 business days of the receipt of the hearing officer's findings, conclusions, and recommendation, the Superintendent may issue a final order of summary suspension or an order that such summary suspension is not warranted by the facts and circumstances presented. The Superintendent shall adopt the hearing officer's recommended decision unless to do so would be an error of law or Department policy. In the event that the Superintendent rejects the hearing officer's findings, conclusions, or recommendation, the Superintendent shall state with particularity the basis for rejection. In issuing a final order of summary suspension, the Superintendent may choose to suspend the license of the child day program or to suspend only certain authority of the child day program to operate, including the authority to provide certain services or perform certain functions that the Superintendent determines should be

restricted or modified in order to protect the health, safety, or welfare of the children receiving care. A final order of summary suspension shall include notice that the licensee may appeal the Superintendent's decision to the appropriate circuit court no later than 10 days following service of the order. The sole issue before the court shall be whether the Superintendent had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceeding. The concurrent revocation, denial, or other proceeding shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

A copy of any final order of summary suspension shall be prominently displayed by the child day program at each public entrance of the facility, or in lieu thereof, the child day program may display a written statement summarizing the terms of the order in a prominent location, printed in a clear and legible size and typeface, and identifying the location within the facility where the final order of summary suspension may be reviewed.

The willful and material failure to comply with the final order of summary suspension constitutes a violation of subdivision 3 of § 22.1-298.027.

The provisions of this subsection shall not apply to any child day program operated by an agency of the Commonwealth, which shall instead be governed by the provisions of subsection D.

D. Whenever the Superintendent issues a summary order of suspension of the license to operate a child day program operated by an agency of the Commonwealth:

1. Before such summary order of suspension shall take effect, the Superintendent shall issue to the child day program a notice of summary order of suspension setting forth (i) the procedures for a hearing and right of review as provided in this section and (ii) facts and evidence that formed the basis on which the summary order of suspension is sought. Such notice shall be served on the licensee or its designee as soon as practicable thereafter by personal service or certified mail, return receipt requested, to the address of record of the licensee. The notice shall state the time, date, and location of a hearing to determine whether the suspension is appropriate. Such hearing shall be held no later than three business days after the issuance of the notice of the summary order of suspension and shall be convened by the Superintendent

or his designee. After such hearing, the Superintendent may issue a final order of summary suspension or may find that such summary suspension is not warranted by the facts and circumstances presented.

2. A final order of summary suspension shall include notice that the licensee may request, in writing and within three business days after receiving the Superintendent's decision, that the Superintendent refer the matter to the Secretary of Education for resolution within three business days of the referral. Any determination by the Secretary shall be final and not subject to judicial review. If the final order of summary suspension is upheld, it shall take effect immediately, and a copy of the final order of summary suspension shall be prominently displayed by the licensee at each public entrance of the facility. Any concurrent revocation, denial, or other proceedings shall not be affected by the outcome of any determination by the Secretary.

**§ 22.1-289.023. Enforcement and sanctions; special orders; civil penalties.**

A. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Superintendent may issue a special order (i) for violation of any of the provisions of this chapter, § 54.1-3408, or any regulation adopted under any provision of this chapter which violation adversely affects, or is an imminent and substantial threat to, the health, safety, or welfare of the person cared for therein, or (ii) for permitting, aiding, or abetting the commission of any illegal act in an child day program. Notice of the Superintendent's intent to take any of the actions enumerated in subdivisions B 1 through 6 shall be provided by the Department, and a copy of such notice shall be posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. Actions set forth in subsection B may be appealed by (a) a child day program operated by an agency of the Commonwealth or (b) any other child day program in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). The Superintendent shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

B. The Superintendent may take the following actions regarding child day programs through the issuance of a special order and may require a copy of the special order provided by the Department to be

posted in a prominent place at each public entrance of the licensed premises to advise consumers of serious or persistent violations:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of children are at risk;

2. Reduce licensed capacity or prohibit new admissions when the Superintendent concludes that the licensee cannot make necessary corrections to achieve compliance with regulations except by a temporary restriction of its scope of service;

3. Mandate training for the licensee or licensee's employees, with any costs to be borne by the licensee, when the Superintendent concludes that the lack of such training has led directly to violations of regulations;

4. Assess civil penalties of not more than \$500 per inspection upon finding that the child day program is substantially out of compliance with the terms of its license and the health and safety of children are at risk; however, no civil penalty shall be imposed pursuant to this subdivision on any child day program operated by an agency of the Commonwealth;

5. Require licensees to contact parents, guardians, or other responsible persons in writing regarding health and safety violations; and

6. Prevent licensees who are substantially out of compliance with the licensure terms or in violation of the regulations from receiving public funds.

C. The Board shall adopt regulations to implement the provisions of this section.

**§ 22.1-289.024. Appeal from refusal, denial of renewal, or revocation of license.**

A. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for a child day program operated by an agency of the Commonwealth, the provisions of § 22.1-289.025 shall apply. Whenever the Superintendent refuses to issue a license or to renew a license or revokes a license for any child day program other than a child day program operated by an agency of the Commonwealth, the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that all appeals from notice of the Superintendent's intent to refuse to issue or renew, or revoke a license shall be received in writing from the child day program operator within 15 days of the date of receipt of

the notice. Judicial review of a final review agency decision shall be in accordance with the provisions of the Administrative Process Act. No stay may be granted upon appeal to the Virginia Supreme Court.

B. In every appeal to a court of record, the Superintendent shall be named defendant.

C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for operation without a license.

D. When issuance or renewal of a license for an child day program has been refused by the Superintendent, the applicant shall not thereafter for a period of six months apply again for such license unless the Superintendent in his sole discretion believes that there has been such a change in the conditions on account of which he refused the prior application as to justify considering the new application. When an appeal is taken by the applicant pursuant to subsection A, the six-month period shall be extended until a final decision has been rendered on appeal.

**§ 22.1-289.025. Right to appeal notice of intent; child day programs operated by agencies of the Commonwealth.**

Any child day program operated by an agency of the Commonwealth shall have the right to appeal any notice of intent as follows:

1. Within 30 days after receiving a notice of intent to impose a sanction, the licensee shall request in writing that the Superintendent review the intended agency action and may submit, together with such request, relevant information, documentation, or other pertinent data supporting its appeal. The Superintendent shall issue a decision within 60 days after receiving the request and shall have the authority to uphold the sanction or take whatever action he deems appropriate to resolve the controversy.

2. If the child day program disputes the Superintendent's decision, the licensee shall request, within 30 days of receiving the Superintendent's decision, that the Superintendent refer the matter to the Secretary of Education. The Secretary shall issue a decision within 60 days of receiving the request for review. The Secretary's decision shall be final and shall not be subject to review.

**§ 22.1-289.026. Injunction against operation without license.**

1815 Any circuit court having jurisdiction in the county or city where the principal office of any child  
1816 day program is located shall, at the suit of the Superintendent, have jurisdiction to enjoin its operation  
1817 without a license required by this chapter.

1818 **§ 22.1-289.027. Offenses; penalty.**

1819 Any person, and each officer and each member of the governing board of any association or  
1820 corporation that operates a child day program, shall be guilty of a Class 1 misdemeanor if he:

1821 1. Interferes with any representative of the Superintendent in the discharge of his duties under this  
1822 chapter;

1823 2. Makes to the Superintendent or any representative of the Superintendent any report or statement,  
1824 with respect to the operation of any child day program, that is known by such person to be false or untrue;

1825 3. Operates or engages in the conduct of a child day program without first obtaining a license as  
1826 required by this chapter or after such license has been revoked or suspended or has expired and not been  
1827 renewed. No violation shall occur if the agency has applied to the Department for renewal prior to the  
1828 expiration date of the license. Every day's violation of this subdivision shall constitute a separate offense;  
1829 or

1830 4. Operates or engages in the conduct of a child day program serving more persons than the  
1831 maximum stipulated in the license.

1832 **§ 22.1-289.028. Misleading advertising prohibited.**

1833 No child day program shall make, publish, disseminate, circulate, or place before the public or  
1834 cause, directly or indirectly, to be made, published, disseminated, circulated or placed before the public  
1835 in this Commonwealth, in a newspaper or other publication; in the form of a book, notice, handbill, poster,  
1836 blueprint, map, bill, tag, label, circular, pamphlet, or letter; or via electronic mail, website, automatic  
1837 mailing list services (listservs), newsgroups, facsimile, chat rooms; or in any other way an advertisement  
1838 of any sort regarding services or anything so offered to the public, which advertisement contains any  
1839 promise, assertion, representation or statement of fact that is untrue, deceptive, or misleading.

1840 **§ 22.1-289.029. Duty of attorneys for the Commonwealth.**

It shall be the duty of the attorney for the Commonwealth of every county and city to prosecute all violations of this chapter.

Article 4.

A. The following programs are not child day programs and shall not be required to be licensed:

1. A program of instructional experience in a single focus, such as, but not limited to, computer science, archaeology, sport clinics, or music, if children under the age of six do not attend at all and if no child is allowed to attend for more than 25 days in any three-month period commencing with enrollment. This exemption does not apply if children merely change their enrollment to a different focus area at a site offering a variety of activities and such children's attendance exceeds 25 days in a three-month period.

2. Programs of instructional or recreational activities wherein no child under age six attends for more than six hours weekly with no class or activity period to exceed one and one-half hours, and no child six years of age or above attends for more than six hours weekly when school is in session or 12 hours weekly when school is not in session. Competition, performances, and exhibitions related to the instructional or recreational activity shall be excluded when determining the hours of program operation.

3. Instructional programs offered by private schools that serve school-age children and that satisfy compulsory attendance laws or provide services under the Individuals with Disabilities Education Act, as amended, and programs of school-sponsored extracurricular activities that are focused on single interests such as, but not limited to, music, sports, drama, civic service, or foreign language.

4. Instructional programs offered by public schools that serve preschool-age children, satisfy compulsory attendance laws, or provide services under the Individuals with Disabilities Education Act, as amended, and programs of school-sponsored extracurricular activities that are focused on single interests such as, but not limited to, music, sports, drama, civic service, or foreign language.

5. Early intervention programs for children eligible under Part C of the Individuals with Disabilities Education Act, as amended, wherein no child attends for more than a total of six hours per week.

- 1868 6. Practice or competition in organized competitive sports leagues.

1872 on site to attend such religious services and activities.
- 1873 8. A program of instructional or athletic experience operated during the summer months by, and  
1874 as an extension of, an accredited private elementary, middle, or high school program as set forth in § 22.1-

- 1879 2. A program where, by written policy given to and signed by a parent or guardian, school-age  
1880 children are free to enter and leave the premises without permission. A program that would qualify for  
1881 this exemption except that it assumes responsibility for the supervision, protection, and well-being of  
1882 several children with disabilities who are mainstreamed shall not be subject to licensure.
- 1883 3. A program that operates no more than a total of 20 program days in the course of a calendar  
1884 year, provided that programs serving children under age six operate no more than two consecutive weeks  
1885 without a break of at least a week.
- 1886 4. Child-minding services that are not available for more than three hours per day for any  
1887 individual child offered on site in commercial or recreational establishments if the parent or guardian (i)  
1888 can be contacted and can resume responsibility for the child's supervision within 30 minutes and (ii) is  
1889 receiving or providing services or participating in activities offered by the establishment.
- 1890 5. A certified preschool or nursery school program operated by an accredited private school as set  
1891 forth in § 22.1-19 and administered by the Virginia Council for Private Education.
- 1892 6. A program of recreational activities offered by local governments, staffed by local government

1894 standards established by the local government offering the program.

1895 7. A program offered by a local school division, operated for no more than four hours per day,  
1896 staffed by local school division employees, and attended by children who are at least three years of age  
1897 and are enrolled in public school or a preschool program within such school division. Such programs shall  
1898 be subject to safety and supervisory standards established by the local school division offering the  
1899 program.

1900 8. Child-minding services offered by a business on the premises of the business to no more than  
1901 four children under the age of 13 at any given time and for no more than eight hours per day, provided

1908 a statement indicating the intent to operate a child day program, identifying the specific provision of this  
1909 section relied upon for exemption from licensure, and certifying that the child day program has disclosed  
1910 in writing to the parents or guardians of the children in the program the fact that it is exempt from licensure;

1911 2. Report to the Superintendent all incidents involving serious physical injury to or death of  
1912 children attending the child day program. Reports of serious physical injuries, which shall include any  
1913 physical injuries that require an emergency referral to an offsite health care professional or treatment in a  
1914 hospital, shall be submitted annually. Reports of deaths shall be submitted no later than one business day  
1915 after the death occurred; and

1916 3. Post in a visible location on the premises notice that the child day program is operating as a  
1917 program exempt from licensure with basic health and safety requirements but has no direct oversight by  
1918 the Department.

1919 D. Child day programs that are exempt from licensure pursuant to subsection B, except for child  
1920 day programs that are exempt from licensure pursuant to subdivision B 1, 5, 6, or 7 shall:

1930 except as otherwise provided by law.

1931 F. No person to whom parental and legal custodial powers have been delegated pursuant to Chapter  
1932 10 (§ 20-166 et seq.) of Title 20 shall be required to obtain a license to operate an independent foster home  
1933 or approval as a foster parent from the Commissioner.

1934 G. Family day homes that are members of a licensed family day system shall not be required to  
1935 obtain a license from the Superintendent.

1936 **§ 22.1-289.031. Child day center operated by religious institution exempt from licensure;**  
1937 **annual statement and documentary evidence required; enforcement; injunctive relief.**

1938 A. Notwithstanding any other provisions of this chapter, a child day center, including a child day  
1939 center that is an early childhood care and education entity operated or conducted under the auspices of a  
1940 religious institution, shall be exempt from the licensure requirements of this chapter, but shall comply  
1941 with the provisions of this section unless it chooses to be licensed. If such religious institution chooses not  
1942 to be licensed, it shall file with the Superintendent, prior to beginning operation of a child day center and  
1943 thereafter annually, a statement of intent to operate a child day center, certification that the child day center  
1944 has disclosed in writing to the parents or guardians of the children in the center the fact that it is exempt  
1945 from licensure and has posted the fact that it is exempt from licensure in a visible location on the premises,  
1946 the qualifications of the personnel employed therein, and documentary evidence that:

1947 1. Such religious institution has tax exempt status as a nonprofit religious institution in accordance  
1948 with § 501(c) of the Internal Revenue Code of 1954, as amended, or that the real property owned and  
1949 exclusively occupied by the religious institution is exempt from local taxation.

1950 2. Within the prior 90 days for the initial exemption and within the prior 180 days for exemptions  
1951 thereafter, the local health department and local fire marshal or Office of the State Fire Marshal, whichever  
1952 is appropriate, have inspected the physical facilities of the child day center and have determined that the  
1953 center is in compliance with applicable laws and regulations with regard to food service activities, health  
1954 and sanitation, water supply, building codes, and the Statewide Fire Prevention Code or the Uniform  
1955 Statewide Building Code.

1956 3. The child day center employs supervisory personnel according to the following ratio of staff to  
1957 children:

- 1958 a. One staff member to four children from ages zero to 16 months.  
1959 b. One staff member to five children from ages 16 months to 24 months.  
1960 c. One staff member to eight children from ages 24 months to 36 months.  
1961 d. One staff member to 10 children from ages 36 months to five years.  
1962 e. One staff member to 20 children from ages five years to nine years.  
1963 f. One staff member to 25 children from ages nine years to 12 years.

1964 Staff shall be counted in the required staff-to-children ratios only when they are directly  
1965 supervising children. In each grouping of children, at least one adult staff member shall be regularly  
1966 present. However, during designated daily rest periods and designated sleep periods of evening and  
1967 overnight care programs, for children ages 16 months to six years, only one staff member shall be required  
1968 to be present with the children under supervision. In such cases, at least one staff member shall be  
1969 physically present in the same space as the children under supervision at all times. Other staff members  
1970 counted for purposes of the staff-to-child ratio need not be physically present in the same space as the  
1971 resting or sleeping children, but shall be present on the same floor as the resting or sleeping children and  
1972 shall have no barrier to their immediate access to the resting or sleeping children. The staff member who  
1973 is physically present in the same space as the sleeping children shall be able to summon additional staff

1974 counted in the staff-to-child ratio without leaving the space in which the resting or sleeping children are  
1975 located.

1976 Staff members shall be at least 16 years of age. Staff members under 18 years of age shall be under  
1977 the supervision of an adult staff member. Adult staff members shall supervise no more than two staff  
1978 members under 18 years of age at any given time.

1979 4. Each person in a supervisory position has been certified by a practicing physician or physician  
1980 assistant to be free from any disability which would prevent him from caring for children under his  
1981 supervision.

1982 5. The center is in compliance with the requirements of:

1983 a. This section.

1984 b. Section 22.1-289.039 relating to background checks.

1985 c. Section 63.2-1509 relating to the reporting of suspected cases of child abuse and neglect.

1986 d. Chapter 3 (§ 46.2-300 et seq.) of Title 46.2 regarding a valid Virginia driver's license or  
1987 commercial driver's license; Article 21 (§ 46.2-1157 et seq.) of Chapter 10 of Title 46.2, regarding vehicle  
1988 inspections; ensuring that any vehicle used to transport children is an insured motor vehicle as defined in  
1989 § 46.2-705; and Article 13 (§ 46.2-1095 et seq.) of Chapter 10 of Title 46.2, regarding child restraint  
1990 devices.

1991 6. The following aspects of the child day center's operations are described in a written statement  
1992 provided to the parents or guardians of the children in the center and made available to the general public:  
1993 physical facilities, enrollment capacity, food services, health requirements for the staff, and public liability  
1994 insurance.

1995 7. The individual seeking to operate the child day center is not currently ineligible to operate  
1996 another child day program due to a suspension or revocation of his license or license exemption for reasons  
1997 involving child safety or any criminal conviction, including fraud, related to such child day program.

1998 8. A person trained and certified in first aid and cardiopulmonary resuscitation (CPR) will be  
1999 present at the child day center whenever children are present or at any other location in which children  
2000 attending the child day center are present.

2001           9. The child day center is in compliance with all safe sleep guidelines recommended by the  
2002 American Academy of Pediatrics.

2003           B. The center shall establish and implement procedures for:

2004           1. Hand washing by staff and children before eating and after toileting and diapering.

2005           2. Appropriate supervision of all children in care, including daily intake and dismissal procedures  
2006 to ensure safety of children.

2014           7. Ensuring that all incidents involving serious physical injury to or death of children attending the  
2015 child day center are reported to the Superintendent. Reports of serious physical injuries, which shall  
2016 include any physical injuries that require an emergency referral to an offsite health care professional or  
2017 treatment in a hospital, shall be submitted annually. Reports of deaths shall be submitted no later than one  
2018 business day after the death occurred.

2019           C. The Superintendent may perform on-site inspections of religious institutions to confirm  
2020 compliance with the provisions of this section and to investigate complaints that the religious institution  
2021 is not in compliance with the provisions of this section. The Superintendent may revoke the exemption  
2022 for any child day center in serious or persistent violation of the requirements of this section. If a religious  
2023 institution operates a child day center and does not file the statement and documentary evidence required  
2024 by this section, the Superintendent shall give reasonable notice to such religious institution of the nature  
2025 of its noncompliance and may thereafter take such action as he determines appropriate, including a suit to  
2026 enjoin the operation of the child day center.

2027 D. Any person who has reason to believe that a child day center falling within the provisions of  
2028 this section is not in compliance with the requirements of this section may report the same to the  
2029 Department, the local health department, or the local fire marshal, each of which may inspect the child  
2030 day center for noncompliance, give reasonable notice to the religious institution, and thereafter may take  
2031 appropriate action as provided by law, including a suit to enjoin the operation of the child day center.

2032 E. Nothing in this section shall prohibit a child day center operated by or conducted under the  
2033 auspices of a religious institution from obtaining a license pursuant to this chapter.

2034 **§ 22.1-289.032. Certification of preschool or nursery school programs operated by accredited**  
2035 **private schools; provisional certification; annual statement and documentary evidence required;**  
2036 **enforcement; injunctive relief.**

2037 A. A preschool or nursery school program operated by a private school accredited by an accrediting  
2038 organization recognized by the Board pursuant to § 22.1-19 shall be exempt from licensure under this

2041 under this subsection:

- 2057 6. The school maintains a certificate or permit issued pursuant to a local government ordinance  
2058 that addresses health, safety, and welfare of the children.
- 2059 C. The school shall file with the Superintendent, prior to the beginning of the school year or  
2060 calendar year, as the case may be, and thereafter, annually, a statement which includes the following:

- 2062 2. Documentary evidence that the school has been accredited as provided in subsection A;
- 2063 3. Documentation that the school has disclosed in writing to the parents, guardians, or persons

2065 the premises the fact of the program's exemption from licensure;
- 2066 4. Documentary evidence that the physical facility in which the preschool program will be  
2067 conducted has been inspected (i) before initial certification by the local building official and (ii) within  
2068 the 12-month period prior to initial certification and at least annually thereafter by the local health  
2069 department, and local fire marshal or Office of the State Fire Marshal, whichever is appropriate, and an  
2070 inspection report that documents that the facility is in compliance with applicable laws and regulations  
2071 pertaining to food services, health and sanitation, water supply, building codes, and the Statewide Fire  
2072 Prevention Code or the Uniform Statewide Building Code;
- 2073 5. Documentation that the school has disclosed the following in writing to the parents, guardians,

2078 capacity; (iii) the school's policy or practice for pupil-teacher ratio, staffing patterns, and staff health

- 2080 6. Qualifications of school personnel who work in the preschool program;

2081 7. Certification that the school will report to the Superintendent all incidents involving serious  
2082 injury to or death of children attending the preschool program. Reports of serious injuries, which shall

2084 in a hospital, shall be submitted annually. Reports of deaths shall be submitted no later than one business  
2085 day after the death occurred; and

2086 8. Documentary evidence that the private school, as set forth in § 22.1-19 and administered by the  
2087 Virginia Council for Private Education, requires all employees of the preschool and other school  
2088 employees who have contact with the children enrolled in the preschool program to obtain a criminal  
2089 record check as provided in § 22.1-289.035 to meet the requirements of § 22.1-296.3 as a condition of  
2090 initial or continued employment.

2091 All accredited private schools seeking certification of preschool programs shall file such  
2092 information on forms prescribed by the Superintendent. The Superintendent shall certify all preschool  
2093 programs of accredited private schools which comply with the provisions of subsection A. The  
2094 Superintendent may conduct an annual inspection of such preschool programs to ensure compliance with  
2095 the provisions of this section and conduct inspections to investigate complaints alleging noncompliance.

2096 D. A preschool program of a private school that has not been accredited as provided in subsection  
2097 A shall be subject to licensure.

2098 E. If the preschool program of a private school that is accredited as provided in subsection A fails  
2099 to file the statement and the required documentary evidence, the Superintendent shall notify the school of  
2100 its noncompliance and may thereafter take such action as he determines appropriate, including notice that  
2101 the program is required to be licensed.

2102 F. The revocation or denial of the certification of a preschool program shall be subject to appeal  
2103 pursuant to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Judicial review of a final  
2104 agency decision shall be in accordance with the provisions of the Administrative Process Act.

2105 G. Any person who has reason to believe that a private school falling within the provisions of this  
2106 section is in noncompliance with any applicable requirement of this section may report the same to the  
2107 Department, the local health department, or the local fire marshal, each of which may inspect the school

2108 for noncompliance, give reasonable notice to the school of the nature of its noncompliance, and thereafter  
2109 may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool  
2110 program.

2111 H. Upon receipt of a complaint concerning a certified preschool program of an accredited private  
2112 school, if for good cause shown there is reason to suspect that the school is in noncompliance with any  
2113 provision of this section or the health or safety of the children attending the preschool program is in danger,  
2114 the Superintendent shall cause an investigation to be made, including on-site visits as he deems necessary  
2115 of the services, personnel, and facilities of the school's preschool program. The school shall afford the  
2116 Superintendent reasonable opportunity to inspect the school's preschool program, records, and facility,  
2117 and to interview the employees and any child or parent or guardian of a child who is or has been enrolled  
2118 in the preschool program. If, upon completion of the investigation, it is determined that the school is in  
2119 noncompliance with the provisions of this section, the Superintendent shall give reasonable notice to the  
2120 school of the nature of its noncompliance and thereafter may take appropriate action as provided by law,  
2121 including a suit to enjoin the operation of the preschool program.

2122 I. Failure of a private school to comply with the provisions of this section, or a finding that the  
2123 health and safety of the children attending the preschool program are in clear and substantial danger upon  
2124 the completion of an investigation, shall be grounds for revocation of the certification issued pursuant to  
2125 this section.

2126 J. If a private school operates a child day program outside the scope of its instructional classes  
2127 during the school year or operates a child day program during the summer, the child day program shall be  
2128 subject to licensure under the regulations adopted pursuant to § 22.1-289.046.

2129 K. Nothing in this section shall prohibit a preschool operated by or conducted under the auspices  
2130 of a private school from obtaining a license pursuant to this chapter.

2131 **§ 22.1-289.033. Inspection of unlicensed child care operations; inspection warrant.**

2132 In order to perform his duties under this chapter, the Superintendent may enter and inspect any  
2133 unlicensed child care operation with the consent of the owner or person in charge, or pursuant to a warrant.  
2134 Administrative search warrants for inspections of child care operations, based upon a petition

2135 demonstrating probable cause and supported by an affidavit, may be issued ex parte by any judge having  
2136 authority to issue criminal warrants whose territorial jurisdiction includes the child care operation to be  
2137 inspected, if he is satisfied from the petition and affidavit that there is reasonable and probable cause for  
2138 the inspection. The affidavit shall contain either a statement that consent to inspect has been sought and  
2139 refused, or that facts and circumstances exist reasonably justifying the failure to seek such consent. Such  
2140 facts may include, without limitation, past refusals to permit inspection or facts establishing reason to  
2141 believe that seeking consent would provide an opportunity to conceal violations of statutes or regulations.  
2142 Probable cause may be demonstrated by an affidavit showing probable cause to believe that the child care  
2143 operation is in violation of any provision of this chapter or any regulation adopted pursuant to this chapter,  
2144 or upon a showing that the inspection is to be made pursuant to a reasonable administrative plan for the  
2145 administration of this chapter. The inspection of a child care operation that has been the subject of a  
2146 complaint pursuant to § 22.1-289.042 shall have preeminent priority over any other inspections of child  
2147 care operations to be made by the Superintendent unless the complaint on its face or in the context of  
2148 information known to the Superintendent discloses that the complaint has been brought to harass, to  
2149 retaliate, or otherwise to achieve an improper purpose, and that the improper purpose casts serious doubt  
2150 on the veracity of the complaint. After issuing a warrant under this section, the judge shall file the affidavit  
2151 in the manner prescribed by § 19.2-54. Such warrant shall be executed and returned to the clerk of the  
2152 circuit court of the city or county wherein the inspection was made.

2153 Article 5.

2154 Background Checks.

2155 **§ 22.1-289.034. Barrier crime; construction.**

2156 For purposes of this chapter, convictions for any barrier crime as defined in § 19.2-392.02 shall  
2157 include prior adult convictions and juvenile convictions or adjudications of delinquency based on a crime  
2158 that would be a felony if committed by an adult within or outside the Commonwealth.

2159 **§ 22.1-289.035. Licensed child day centers, family day homes, and family day systems;**  
2160 **employment for compensation or use as volunteers of persons convicted of or found to have**  
2161 **committed certain offenses prohibited; national background check required; penalty.**

2162 A. No child day center, family day home, or family day system licensed in accordance with the  
2163 provisions of this chapter, child day center exempt from licensure pursuant to § 22.1-289.031, registered  
2164 family day home, family day home approved by a family day system, or child day center, family day  
2165 home, or child day program that enters into a contract with the Department or its agents or designees to  
2166 provide child care services funded by the Child Care and Development Block Grant shall hire for  
2167 compensated employment, continue to employ, or permit to serve as a volunteer who will be alone with,  
2168 in control of, or supervising children any person who (i) has been convicted of any barrier crime as defined  
2169 in § 19.2-392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside  
2170 the Commonwealth. All applicants for employment, employees, applicants to serve as volunteers, and  
2171 volunteers shall undergo a background check in accordance with subsection B prior to employment or  
2172 beginning to serve as a volunteer and every five years thereafter.

2173 B. Any individual required to undergo a background check in accordance with subsection A shall:

2174 1. Provide a sworn statement or affirmation disclosing whether he has ever been convicted of or is  
2175 the subject of pending charges for any offense within or outside the Commonwealth and whether he has  
2176 been the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth;

2177 2. Submit to fingerprinting and provide personal descriptive information described in subdivision  
2178 B 2 of § 19.2-392.02; and

2179 3. Authorize the child day center, family day home, or family day system described in subsection  
2180 A to obtain a copy of the results of a search of the central registry maintained pursuant to § 63.2-1515 and  
2181 any child abuse and neglect registry or equivalent registry maintained by any other state in which the  
2182 individual has resided in the preceding five years for any founded complaint of child abuse or neglect  
2183 against him.

2184 The applicant's fingerprints and personal descriptive information obtained pursuant to subdivision  
2185 2 shall be forwarded by the Department or its designee or, in the case of a child day program operated by  
2186 a local government, may be forwarded by the local law-enforcement agency through the Central Criminal  
2187 Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining national criminal  
2188 history record information regarding such applicant. Upon receipt of an applicant's record or notification

2189 that no record exists, the Central Criminal Records Exchange shall forward the information to the  
2190 Department or its designee, and the Department or its designee shall report to the child day center or  
2191 family day home whether the applicant is eligible to have responsibility for the safety and well-being of  
2192 children. In cases in which the record forwarded to the Department or its designee is lacking disposition  
2193 data, the Department or its designee shall conduct research in whatever state and local recordkeeping  
2194 systems are available in order to obtain complete data before reporting to the child day center or family  
2195 day home.

2196 C. The child day center, family day home, or family day system described in subsection A shall  
2197 inform every individual required to undergo a background check pursuant to this section that he is entitled  
2198 to obtain a copy of any background check report and to challenge the accuracy and completeness of any  
2199 such report and obtain a prompt resolution before a final determination is made of the individual's  
2200 eligibility to have responsibility for the safety and well-being of children.

2201 D. Any person making a materially false statement regarding the sworn statement or affirmation  
2202 provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

2203 E. Further dissemination of the background check information is prohibited other than to the  
2204 Superintendent's representative or a federal or state authority or court as may be required to comply with  
2205 an express requirement of law for such further dissemination.

2206 F. A person who complies in good faith with the provisions of this section shall not be liable for  
2207 any civil damages for any act or omission in the performance of duties under this section unless the act or  
2208 omission was the result of gross negligence or willful misconduct.

2209 G. Notwithstanding the provisions of subsection A, a child day center may hire for compensated  
2210 employment persons who have been convicted of not more than one misdemeanor offense under § 18.2-  
2211 57, or any substantially similar offense under the laws of another jurisdiction, if 10 years have elapsed  
2212 following the conviction, unless the person committed such offense while employed in a child day center  
2213 or the object of the offense was a minor.

2214 H. Fees charged for the processing and administration of background checks pursuant to this  
2215 section shall not exceed the actual cost to the state or the local law-enforcement agency of such processing  
2216 and administration.

2217 I. Any individual required to undergo a background check pursuant to subsection A who is (i)  
2218 convicted of any barrier crime as defined in § 19.2-392.02 or (ii) found to be the subject of a founded  
2219 complaint of child abuse or neglect within or outside of the Commonwealth shall notify the child day  
2220 center, family day home, or family day system described in subsection A of such conviction or finding.

2221 **§ 22.1-289.036. Background check upon application for licensure, registration, or approval**  
2222 **as child day center, family day home, or family day system; penalty.**

2223 A. Every (i) applicant for licensure as a child day center, family day home, or family day system,  
2224 registration as a family day home, or approval as a family day home by a family day system; (ii) agent of  
2225 an applicant for licensure as a child day center, family day home, or family day system, registration as a  
2226 family day home, or approval as a family day home by a family day system at the time of application who  
2227 is or will be involved in the day-to-day operations of the child day center, family day home, or family day  
2228 system or who is or will be alone with, in control of, or supervising one or more of the children; and (iii)  
2229 adult living in such child day center or family day home shall undergo a background check in accordance  
2230 with subsection B prior to issuance of a license as a child day center, family day home, or family day  
2231 system, registration as a family day home, or approval as a family day home by a family day system and  
2232 every five years thereafter.

2233 B. Every person required to undergo a background check pursuant to subsection A shall:

2234 1. Provide a sworn statement or affirmation disclosing whether he has ever been convicted of or is  
2235 the subject of any pending criminal charges for any offense within or outside the Commonwealth and  
2236 whether or not he has been the subject of a founded complaint of child abuse or neglect within or outside  
2237 the Commonwealth;

2238 2. Submit to fingerprinting and provide personal descriptive information described in subdivision  
2239 B 2 of § 19.2-392.02; and

2240 3. Authorize the child day center, family day home, or family day system specified in subsection  
2241 A to obtain a copy of the results of a search of the central registry maintained pursuant to § 63.2-1515 and  
2242 any child abuse and neglect registry or equivalent registry maintained by any other state in which the  
2243 individual has resided in the preceding five years for any founded complaint of child abuse or neglect  
2244 against him.

2245 Fingerprints and personal descriptive information obtained pursuant to subdivision 2 shall be  
2246 forwarded by the Department or its designee or, in the case of a child day program operated by a local  
2247 government, may be forwarded by the local law-enforcement agency through the Central Criminal  
2248 Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining national criminal  
2249 history record information regarding the individual. Upon receipt of an individual's record or notification  
2250 that no record exists, the Central Criminal Records Exchange shall forward the information to the  
2251 Department or its designee. The Department or its designee shall report to the child day center, family day  
2252 home, or family day system described in subsection A as to whether the individual is eligible to have  
2253 responsibility for the safety and well-being of children. In cases in which the record forwarded to the  
2254 Department or its designee is lacking disposition data, the Department or its designee shall conduct  
2255 research in whatever state and local recordkeeping systems are available in order to obtain complete data.

2256 C. If any person specified in subsection A required to have a background check (i) has been  
2257 convicted of any barrier crime as defined in § 19.2-392.02 or (ii) is the subject of a founded complaint of  
2258 child abuse or neglect within or outside the Commonwealth, and such person has not been granted a waiver  
2259 by the Superintendent pursuant to § 22.1-289.038, no license as a child day center, family day home, or  
2260 family day system or registration as a family day home shall be granted by the Superintendent and no  
2261 approval as a family day home shall be granted by the family day system.

2262 D. Information from a search of the central registry maintained pursuant to § 63.2-1515 and any  
2263 child abuse and neglect registry or equivalent registry maintained by any other state in which the applicant,  
2264 agent, or adult has resided in the preceding five years, authorized in accordance with subdivision B 3,  
2265 shall be obtained prior to issuance of a license as a child day center, family day home, or family day  
2266 system, registration as a family day home, or approval as a family day home by a family day system.

2267 E. No person specified in subsection A shall be involved in the day-to-day operations of the child  
2268 day center, family day home, or family day system, or shall be alone with, in control of, or supervising  
2269 one or more children, without first having completed any required background check pursuant to  
2270 subsection B.

2271 F. Any person making a materially false statement regarding the sworn statement or affirmation  
2272 provided pursuant to subdivision B 1 is guilty of a Class 1 misdemeanor.

2273 G. If an individual is denied licensure, registration, or approval because of information from the  
2274 central registry or any child abuse and neglect registry or equivalent registry maintained by any other state,  
2275 or convictions appearing on his criminal history record, the Superintendent shall provide a copy of the  
2276 information obtained from the central registry, any child abuse and neglect registry or equivalent registry  
2277 maintained by any other state, or the Central Criminal Records Exchange to the individual.

2278 H. Further dissemination of the background check information is prohibited other than to the  
2279 Superintendent's representative or a federal or state authority or court as may be required to comply with  
2280 an express requirement of law for such further dissemination.

2281 I. Fees charged for the processing and administration of background checks pursuant to this section  
2282 shall not exceed the actual cost to the state or the local law-enforcement agency of such processing and  
2283 administration.

2284 **§ 22.1-289.037. Revocation or denial of renewal based on background checks; failure to**  
2285 **obtain background check.**

2286 A. The Superintendent may revoke or deny renewal of a license or registration of a child day  
2287 program, and a family day system may revoke the approval of a family day home, if the child day program  
2288 or approved family day home has knowledge that a person specified in § 22.1-289.035 or 22.1-289.036  
2289 required to have a background check (i) has been convicted of any barrier crime as defined in § 19.2-  
2290 392.02 or (ii) is the subject of a founded complaint of child abuse or neglect within or outside the  
2291 Commonwealth, and such person has not been granted a waiver by the Superintendent pursuant to § 22.1-  
2292 289.038 or is not subject to the exceptions in subsection G of § 22.1-289.035, and the agency or home

2293 refuses to separate such person from employment or service or allows the household member to continue  
2294 to reside in the home.

2295 B. Failure to obtain background checks pursuant to §§ 22.1-289.035 and 22.1-289.036 shall be  
2296 grounds for denial, revocation, or termination of a license, registration, or approval or any contract with  
2297 the Department or its agents or designees or a local department to provide child care services to clients of  
2298 the Department or its agents or designees or the local department. No violation shall occur if the family  
2299 day system, family day home, or child day center has applied for the background check timely and it has  
2300 not been obtained due to administrative delay. The provisions of this section shall be enforced by the  
2301 Department.

2302 **§ 22.1-289.038. Child day programs; criminal conviction and waiver.**

2303 A. Any person who seeks to operate, volunteer, or work at a child day program and who is  
2304 disqualified because of a criminal conviction or a criminal conviction in the background check of any  
2305 other adult living in a family day home regulated by the Department, pursuant to § 22.1-289.035, 22.1-  
2306 289.036, or 22.1-289.039, may apply in writing for a waiver from the Superintendent. The Superintendent  
2307 may grant a waiver if the Superintendent determines that (i) the person is of good moral character and  
2308 reputation and (ii) the waiver would not adversely affect the safety and well-being of children in the  
2309 person's care. The Superintendent shall not grant a waiver to any person who has been convicted of any  
2310 barrier crime as defined in § 19.2-392.02. However, the Superintendent may grant a waiver to a family  
2311 day home licensed or registered by the Department if any other adult living in the home of the applicant

2371 telephone line to respond to complaints regarding operations of child day programs. Upon receipt of a  
2372 complaint concerning the operation of a child day program, regardless of whether the program is subject  
2373 to licensure, the Superintendent shall, for good cause shown, cause an investigation to be made, including

2374 on-site visits as he deems necessary, of the activities, services, records, and facilities. The child day  
2375 program shall afford the Superintendent reasonable opportunity to inspect all of the operator's activities,  
2376 services, records, and facilities and to interview its agents and employees and any child within its control.  
2377 Whenever a child day program subject to inspection under this section is determined by the Superintendent  
2378 to be in noncompliance with the provisions of this chapter or with regulations adopted pursuant to this  
2379 chapter, the Superintendent shall give reasonable notice to the child day program of the nature of its

2381 the operation of the child day program.

2382 **§ 22.1-289.043. Confidentiality of complainant's identity.**

2383 Whenever the Department conducts inspections and investigations in response to complaints  
2384 received from the public, the identity of the complainant and the identity of any child who is the subject  
2385 of the complaint, or identified therein, shall be confidential and shall not be open to inspection by members  
2386 of the public. Identities of the complainant and child who is the subject of the complaint shall be revealed  
2387 only if a court order so requires. Nothing contained herein shall prevent the Department, in its discretion,  
2388 from disclosing to the child day program the nature of the complaint or the identity of the child who is the  
2389 subject of the complaint. Nothing contained herein shall prevent the Department or its employees from  
2390 making reports under Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. If the Department intends to rely, in  
2391 whole or in part, on any statements made by the complainant at any administrative hearing brought against  
2392 child day program, the Department shall disclose the identity of the complainant to the child day program  
2393 a reasonable time in advance of such hearing.

2394 **§ 22.1-289.044. Retaliation or discrimination against complainants.**

2395 No child day program shall retaliate or discriminate in any manner against any person who (i) in

2405 **§ 22.1-289.046. Regulations for child day programs.**

2406 A. The Board shall adopt regulations for the activities, services, and facilities to be employed by  
2407 persons and agencies required to be licensed under this chapter, which shall be designed to ensure that  
2408 such activities, services, and facilities are conducive to the welfare of the children under the control of  
2409 such persons or agencies.

2410 Such regulations shall be developed in consultation with representatives of the affected entities  
2411 and shall include matters relating to the sex, age, and number of children and other persons to be  
2412 maintained, cared for, or placed out, as the case may be, and to the buildings and premises to be used, and  
2413 reasonable standards for the activities, services and facilities to be employed. Such limitations and  
2414 standards shall be specified in each license and renewal thereof. Such regulations shall not require the  
2415 adoption of a specific teaching approach or doctrine or require the membership, affiliation, or accreditation  
2416 services of any single private accreditation or certification agency.

2417 Such regulations governing child day programs providing care for school-age children at a location  
2418 that is currently approved by the Department or recognized as a private school by the Board for school

2422 vehicles used to transport children attending the child day program that are owned by the school, or meals  
2423 served to such children that are prepared by the school.

2424 Such regulations governing orientation and training of child day program staff shall provide that  
2425 parents or other persons who participate in a cooperative preschool center on behalf of a child attending  
2426 such cooperative preschool center, including such parents and persons who are counted for the purpose of  
2427 determining staff-to-child ratios, shall be exempt from orientation and training requirements applicable to

staff of child day programs; however, such regulations may require such parents and persons to complete up to four hours of training per year. This orientation and training exemption shall not apply to any parent or other person who participates in a cooperative preschool center that has entered into a contract to provide child care services funded by the Child Care and Development Block Grant.

B. The Board shall adopt or amend regulations, policies, and procedures related to child day care in collaboration with the Virginia Recreation and Park Society. No regulation adopted by the Board shall prohibit a child day center from hiring an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, to provide protection for children placed in the care of the child day center or employees of the center. The Board shall adopt or amend regulations related to therapeutic recreation programs in collaboration with the Virginia Park and Recreation Society and the Department of Behavioral Health and Developmental Services.

The Department is authorized to enter into interagency agreements with other state agencies to develop and implement regulations adopted pursuant to this chapter. Any state agency identified by the Department as appropriate to include in an interagency agreement shall participate in the development and implementation of the agreement. The Department shall assist and cooperate with other state departments in fulfilling their respective inspection responsibilities and in coordinating the regulations involving inspections. The Board may adopt regulations allowing the Department to so assist and cooperate with other state departments.

2467 **report to law-enforcement agencies.**

2468 A. Upon enrollment of a child in a regulated child day program, such child day program shall  
2469 require information from the person enrolling the child regarding previous child day care and schools  
2470 attended by the child. The regulated child day program shall also require that the person enrolling the child  
2471 present the regulated child day program with the proof of the child's identity and age. The proof of identity,  
2472 if reproduced or retained by the child day program or both, shall be destroyed upon the conclusion of the  
2473 requisite period of retention. The procedures for the disposal, physical destruction, or other disposition of  
2474 the proof of identity containing social security numbers shall include all reasonable steps to destroy such  
2475 documents by (i) shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those  
2476 records to make them unreadable or indecipherable by any means.

2477 B. For purposes of this section:

2487 longer than two consecutive days or other pattern of regular attendance does not provide the information  
2488 required by subsection A within seven business days of initial attendance, such child day program shall  
2489 immediately notify the local law-enforcement agency in its jurisdiction of such failure to provide the  
2490 requested information.

2491 D. Upon receiving notification of such failure to provide the information required by subsection  
2492 A, the law-enforcement agency shall, if available information warrants, immediately submit an inquiry to  
2493 the Missing Children Information Clearinghouse and, with the assistance of the local department, if  
2494 available information warrants, conduct the appropriate investigation to determine whether the child is  
2495 missing.

2496 E. The Board shall adopt regulations to implement the provisions of this section.

2497 **§ 22.1-289.050. Insurance notice requirements for family day homes; civil penalty.**

2498 A. Any person who operates a family day home approved by a licensed family day system, a  
2499 licensed family day home, or a voluntarily registered family day home shall furnish a written notice to the  
2500 parent or guardian of each child under the care of the family day home, which states whether there is  
2501 liability insurance in force to cover the operation of the family day home, provided that no person under  
2502 this section shall state that liability insurance is in place to cover the operation of the family day home,  
2503 unless there is a minimum amount of coverage as established by the Department.

2504 B. Each parent or guardian shall acknowledge, in writing, receipt of such notice. In the event there  
2505 is no longer insurance coverage, the person operating the family day home shall (i) notify each parent or  
2506 guardian within 10 business days after the effective date of the change and (ii) obtain written  
2507 acknowledgment of such notice. A copy of an acknowledgment required under this section shall be

2508 maintained on file at the family day home at all times while the child attends the family day home and for  
2509 12 months after the child's last date of attendance.

2510 C. Any person who fails to give any notice required under this section shall be subject to a civil

2514 summer camp by the Department of Health under the provisions of § 35.1-18 shall be entitled to a summer  
2515 camp license. Such a facility shall comply with all of the regulations adopted by the Board and the State  
2516 Board of Health for each such license.

2519 built prior to 1978 until he receives a written statement that the building has been inspected for asbestos,  
2520 as defined by § 2.2-1162, and in accordance with the regulations for initial asbestos inspections pursuant  
2521 to the federal Asbestos Hazard Emergency Response Act, 40 C.F.R. Part 763 -- Asbestos Containing  
2522 Materials in Schools. The inspection shall be conducted by personnel competent to identify the presence  
2523 of asbestos and licensed in Virginia as an asbestos inspector and as an asbestos management planner  
2524 pursuant to Chapter 5 (§ 54.1-500 et seq.) of Title 54.1. The written statement shall state whether (i) no  
2525 asbestos was detected, (ii) asbestos was detected and response actions to abate any risk to human health  
2526 have been completed, or (iii) asbestos was detected and response actions to abate any risk to human health

2529 the date of the inspection and be signed by the person who inspected for the asbestos. If asbestos was  
2530 detected, an operations and maintenance plan shall be developed in accordance with the regulations of the  
2531 federal Asbestos Hazard Emergency Response Act and the statement shall be signed by the person who  
2532 prepared the operations and maintenance plan. Any inspection, preparation of an operations and  
2533 maintenance plan or response action shall be performed by competent personnel who have been licensed  
2534 in accordance with the provisions of Chapter 5 of Title 54.1.

2535        When asbestos has been detected, the applicant for licensure shall also submit to the  
2536 Superintendent a written statement that response actions to abate any risk to human health have been or  
2537 will be initiated in accordance with a specified schedule and plan as recommended by an asbestos  
2538 management planner licensed in Virginia. This statement shall be signed by the applicant for licensure.

2539        The written statements required by this section shall be submitted for approval to the  
2540 Superintendent's representative prior to issuance of a license. The provisions of this section shall not apply  
2541 to child day centers located in buildings required to be inspected pursuant to Article 5 (§ 2.2-1162 et seq.)  
2542 of Chapter 11 of Title 2.2.

2543        **§ 22.1-289.053. Delay in acting on application or in notification.**

2544        In case the Superintendent fails to take final action upon an application for a license within 60 days  
2545 after the application is made, either by way of issuance or refusal, or fails within such time to notify the  
2546 applicant thereof, it shall be lawful for the applicant to engage in the operations or activities for which the  
2547 license is desired, until the Superintendent has taken final action and notified the applicant thereof;  
2548 however, no application shall be deemed made until all the required information is submitted in the form  
2549 prescribed by the Superintendent.

2550        **§ 22.1-289.054. Visitation by parents or guardians in child day programs.**

2553 for the supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period,  
2554 regardless of whether it is licensed. Such right of admission shall apply only while the child is in the child  
2555 day program.

2556        **§ 22.1-289.055. Public funds to be withheld for serious or persistent violations.**

2557        The Board may adopt policies, as permitted by state and federal law, to restrict the eligibility of a  
2558 child day program to receive or continue to receive funds when such agency is found to be in serious or  
2559 persistent violation of regulations.

2560        **§ 22.1-289.056. Municipal and county appropriations; contracts.**

2572 provide personal descriptive information to be forwarded along with the applicant's fingerprints through  
2573 the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining  
2574 criminal history record information regarding such applicant.

2575        The Central Criminal Records Exchange, upon receipt of an applicant's record or notification that  
2576 no record exists, shall report to the governing board or administrator, or to a private organization  
2577 coordinating such records on behalf of such governing board or administrator pursuant to a written  
2578 agreement with the Department of State Police, that the applicant meets the criteria or does not meet the  
2579 criteria for employment based on whether or not the applicant has ever been convicted of any barrier crime  
2580 as defined in § 19.2-392.02.

2581        B. The Central Criminal Records Exchange shall not disclose information to such governing board,  
2582 administrator, or private organization coordinating such records regarding charges or convictions of any  
2583 crimes. If any applicant is denied employment because of information appearing on the criminal history  
2584 record and the applicant disputes the information upon which the denial was based, the Central Criminal  
2585 Records Exchange shall, upon request, furnish the applicant the procedures for obtaining a copy of the  
2586 criminal history record from the Federal Bureau of Investigation. The information provided to the  
2587 governing board, administrator, or private organization coordinating such records shall not be

2588 disseminated except as provided in this section. A governing board or administrator employing or  
2589 previously employing a temporary teacher or a private organization coordinating such records on behalf  
2590 of such governing board or administrator pursuant to a written agreement with the Department of State  
2591 Police may disseminate, at the written request of such temporary teacher, whether such teacher meets the  
2592 criteria or does not meet the criteria for employment pursuant to subsection A to the governing board or  
2593 administrator of another accredited private elementary or secondary school in which such teacher has  
2594 accepted employment. Such governing board, administrator, or private organization transferring criminal  
2595 records information pursuant to this section shall be immune from civil liability for any official act,  
2596 decision, or omission done or made in the performance of such transfer, when such acts or omissions are  
2597 taken in good faith and are not the result of gross negligence or willful misconduct.

2598 Fees charged for the processing and administration of background checks pursuant to this section  
2599 shall not exceed the actual cost to the state of such processing and administration.

2600 C. Effective July 1, 2017, the governing board or administrator of a private elementary or  
2601 secondary school that is accredited pursuant to § 22.1-19 that operates ~~a child welfare agency~~ an early

3527 providing expanded TANF programs through a competitive process that is designed in a manner that  
3528 ensures that all service providers in the Commonwealth, regardless of size or geographic location, are  
3529 afforded the opportunity to apply for funds. All programs and services funded through the Funding Pool  
3530 Program shall comply with all federal and state statutory and regulatory requirements and shall serve the  
3531 stated purposes of the TANF program.

3532 C. In developing the Request for Proposals, the Department shall include:

3533 1. A long-range planning and priority-setting process to identify state and local service needs and  
3534 avoid overlap or duplication of services. The planning and priority-setting process shall include  
3535 opportunity for citizen participation and consideration of local and statewide service needs and priorities;

3536 2. A competitive process, to include uniform eligibility criteria for service providers seeking  
3537 funding and uniform application and selection procedures for comparable service categories;

3538 3. Uniform oversight, administrative, and reporting requirements for service providers receiving  
3539 funding through the Funding Pool Program; and

3540 4. Uniform program evaluation criteria to determine the effectiveness and efficiency of comparable  
3541 services funded through the Funding Pool Program.

3542 D. The Department shall require all service providers applying for funding through the Funding  
3543 Pool Program to submit a detailed proposal that includes a proposed budget, proposed program outcomes,  
3544 and proposed program outcome measures. Following review of applications for funding received pursuant  
3545 to this section, the Department shall provide a summary of the requests for funding and recommendations

3546 to the Governor and the General Assembly of the programs to be funded in the proposed biennial budget,  
3547 the levels of funding recommended, and the rationale for such recommendations, and the Governor shall  
3548 consider such recommendations in developing the proposed budget.

3549 E. The Department shall require all providers receiving Funding Pool Program funds to report  
3550 annually on the use of the funds and outcomes achieved and shall include such information in its annual  
3551 report to the General Assembly.

3552 **§ 63.2-603. Eligibility for TANF; childhood immunizations.**

3553 An applicant for TANF shall provide verification that all eligible children not enrolled in school,  
3554 a licensed family day home as defined in § 22.1-289.02, or a licensed child day center as defined in §  
3555 22.1-289.02, have received immunizations in accordance with § 32.1-46. However, if an eligible child has  
3556 not received immunizations in accordance with § 32.1-46, verification shall be provided at the next  
3557 scheduled redetermination of eligibility for TANF after initial eligibility is granted that the child has  
3558 received at least one dose of each of the immunizations required by § 32.1-46 as appropriate for the child's  
3559 age and that the child's physician or the local health department has developed a plan for completing the  
3560 immunizations. Verification of compliance with the plan for completing the immunizations shall be  
3561 presented at subsequent redeterminations of eligibility for TANF.

3562 If necessary, the local department shall provide assistance to the TANF recipient in obtaining  
3563 verification from immunization providers. No sanction may be imposed until the reason for the failure to  
3564 comply with the immunization requirement has been identified and any barriers to accessing  
3565 immunizations have been removed.

3566 Failure by the recipient to provide the required verification of immunizations shall result in a  
3567 reduction in the amount of monthly assistance received from the TANF program until the required  
3568 verification is provided. The reduction shall be ~~fifty dollars~~ \$50 for the first child and ~~twenty-five dollars~~  
3569 \$25 for each additional child for whom verification is not provided.

3570 Any person who becomes ineligible for TANF payments as a result of this provision shall  
3571 nonetheless be considered a TANF recipient for all other purposes.

3609 19. Any minister, priest, rabbi, imam, or duly accredited practitioner of any religious organization  
3610 or denomination usually referred to as a church, unless the information supporting the suspicion of child  
3611 abuse or neglect (i) is required by the doctrine of the religious organization or denomination to be kept in  
3612 a confidential manner or (ii) would be subject to § 8.01-400 or 19.2-271.3 if offered as evidence in court.

3613 If neither the locality in which the child resides nor where the abuse or neglect is believed to have  
3614 occurred is known, then such report shall be made to the local department of the county or city where the  
3615 abuse or neglect was discovered or to the Department's toll-free child abuse and neglect hotline.

3616 If an employee of the local department is suspected of abusing or neglecting a child, the report  
3617 shall be made to the court of the county or city where the abuse or neglect was discovered. Upon receipt  
3618 of such a report by the court, the judge shall assign the report to a local department that is not the employer  
3619 of the suspected employee for investigation or family assessment. The judge may consult with the  
3620 Department in selecting a local department to respond to the report or the complaint.

3621 If the information is received by a teacher, staff member, resident, intern or nurse in the course of  
3622 professional services in a hospital, school or similar institution, such person may, in place of said report,  
3623 immediately notify the person in charge of the institution or department, or his designee, who shall make  
3624 such report forthwith. If the initial report of suspected abuse or neglect is made to the person in charge of  
3625 the institution or department, or his designee, pursuant to this subsection, such person shall notify the

3626 teacher, staff member, resident, intern or nurse who made the initial report when the report of suspected  
3627 child abuse or neglect is made to the local department or to the Department's toll-free child abuse and  
3628 neglect hotline, and of the name of the individual receiving the report, and shall forward any  
3629 communication resulting from the report, including any information about any actions taken regarding the  
3630 report, to the person who made the initial report.

3631         The initial report may be an oral report but such report shall be reduced to writing by the child  
3632 abuse coordinator of the local department on a form prescribed by the Board. Any person required to make  
3633 the report pursuant to this subsection shall disclose all information that is the basis for his suspicion of  
3634 abuse or neglect of the child and, upon request, shall make available to the child-protective services  
3635 coordinator and the local department, which is the agency of jurisdiction, any information, records, or  
3636 reports that document the basis for the report. All persons required by this subsection to report suspected  
3637 abuse or neglect who maintain a record of a child who is the subject of such a report shall cooperate with  
3638 the investigating agency and shall make related information, records and reports available to the  
3639 investigating agency unless such disclosure violates the federal Family Educational Rights and Privacy  
3640 Act (20 U.S.C. § 1232g). Provision of such information, records, and reports by a health care provider  
3641 shall not be prohibited by § 8.01-399. Criminal investigative reports received from law-enforcement  
3642 agencies shall not be further disseminated by the investigating agency nor shall they be subject to public  
3643 disclosure.

3644         B. For purposes of subsection A, "reason to suspect that a child is abused or neglected" shall, due  
3645 to the special medical needs of infants affected by substance exposure, include (i) a finding made by a  
3646 health care provider within six weeks of the birth of a child that the child was born affected by substance  
3647 abuse or experiencing withdrawal symptoms resulting from in utero drug exposure; (ii) a diagnosis made  
3648 by a health care provider within four years following a child's birth that the child has an illness, disease,  
3649 or condition that, to a reasonable degree of medical certainty, is attributable to maternal abuse of a  
3650 controlled substance during pregnancy; or (iii) a diagnosis made by a health care provider within four  
3651 years following a child's birth that the child has a fetal alcohol spectrum disorder attributable to in utero  
3652 exposure to alcohol. When "reason to suspect" is based upon this subsection, such fact shall be included

3653 in the report along with the facts relied upon by the person making the report. Such reports shall not  
3654 constitute a per se finding of child abuse or neglect. If a health care provider in a licensed hospital makes  
3655 any finding or diagnosis set forth in clause (i), (ii), or (iii), the hospital shall require the development of a  
3656 written discharge plan under protocols established by the hospital pursuant to subdivision B 6 of § 32.1-  
3657 127.

3658 C. Any person who makes a report or provides records or information pursuant to subsection A or  
3659 who testifies in any judicial proceeding arising from such report, records, or information shall be immune  
3660 from any civil or criminal liability or administrative penalty or sanction on account of such report, records,  
3661 information, or testimony, unless such person acted in bad faith or with malicious purpose.

3662 D. Any person required to file a report pursuant to this section who fails to do so as soon as  
3663 possible, but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or  
3664 neglect, shall be fined not more than \$500 for the first failure and for any subsequent failures not less than  
3665 \$1,000. In cases evidencing acts of rape, sodomy, or object sexual penetration as defined in Article 7 (§  
3666 18.2-61 et seq.) of Chapter 4 of Title 18.2, a person who knowingly and intentionally fails to make the  
3667 report required pursuant to this section shall be guilty of a Class 1 misdemeanor.

3668 E. No person shall be required to make a report pursuant to this section if the person has actual  
3669 knowledge that the same matter has already been reported to the local department or the Department's toll-  
3670 free child abuse and neglect hotline.

3671 **§ 63.2-1515. Central registry; disclosure of information.**

3672 The central registry shall contain such information as shall be prescribed by Board regulation;  
3673 however, when the founded case of abuse or neglect does not name the parents or guardians of the child  
3674 as the abuser or neglecter, and the abuse or neglect occurred in a licensed or unlicensed child day center,  
3675 as defined in § 22.1-289.02; a licensed, registered, or approved family day home; as defined in § 22.1-  
3676 289.02; a private or public school; or a children's residential facility, the child's name shall not be entered  
3677 on the registry without consultation with and permission of the parents or guardians. If a child's name  
3678 currently appears on the registry without consultation with and permission of the parents or guardians for  
3679 a founded case of abuse and neglect that does not name the parents or guardians of the child as the abuser

3680 or neglecter, such parents or guardians may have the child's name removed by written request to the  
3681 Department. The information contained in the central registry shall not be open to inspection by the public.  
3682 However, appropriate disclosure may be made in accordance with Board regulations.

3683         The Department shall respond to requests for a search of the central registry made by (i) local  
3684 departments, (ii) local school boards, and (iii) governing boards or administrators of private schools  
3685 accredited pursuant to § 22.1-19 regarding applicants for employment, pursuant to § 22.1-296.4, in cases  
3686 where there is no match within the central registry within 10 business days of receipt of such requests. In  
3687 cases where there is a match within the central registry regarding applicants for employment, the  
3688 Department shall respond to requests made by local departments, local school boards, and governing  
3689 boards or administrators within 30 business days of receipt of such requests. The response may be by first-  
3690 class mail or facsimile transmission.

3691         The Department shall disclose information in the central registry to the Chairmen of the  
3692 Committees for the Courts of Justice of the Senate and House of Delegates for the purpose of determining  
3693 if any person being considered for election to any judgeship has been the subject of any founded complaint  
3694 of child abuse or neglect.

3695         Any central registry check of a person who has applied to be a volunteer with a (a) Virginia affiliate  
3696 of Big Brothers/Big Sisters of America, (b) Virginia affiliate of Compeer, (c) Virginia affiliate of  
3697 Childhelp USA, (d) volunteer fire company or volunteer emergency medical services agency, or (e) court-  
3698 appointed special advocate program pursuant to § 9.1-153 shall be conducted at no charge.

3699         **§ 63.2-1700. Application fees; regulations and schedules; use of fees; certain facilities,**  
3700 **centers, and agencies exempt.**

3701         The Board is authorized to adopt regulations and schedules for fees to be charged for processing  
3702 applications for licenses to operate assisted living facilities, adult day care centers, and child welfare  
3703 agencies. Such schedules shall specify minimum and maximum fees and, where appropriate, gradations  
3704 based on the capacity of such facilities, centers, and agencies. Fees shall be used for the development and  
3705 delivery of training for operators and staff of facilities, centers, and agencies. Fees shall be expended for

3706 this purpose within two fiscal years following the fiscal year in which they are collected. These fees shall  
3707 not be applicable to facilities, centers, or agencies operated by federal entities.

3708 ~~The Board shall develop training programs for operators and staffs of licensed child day programs.~~  
3709 ~~Such programs shall include formal and informal training offered by institutions of higher education, state~~  
3710 ~~and national associations representing child care professionals, local and regional early childhood~~  
3711 ~~educational organizations and licensed child care providers. Training provided to operators and staffs of~~  
3712 ~~licensed child day programs shall include training and information regarding shaken baby syndrome, its~~  
3713 ~~effects, and resources for help and support for caretakers. To the maximum extent possible, the Board~~  
3714 ~~shall ensure that all provider interests are represented and that no single approach to training shall be given~~  
3715 ~~preference.~~

3716 **§ 63.2-1701. Licenses required; issuance, expiration, and renewal; maximum number of**  
3717 **residents, participants or children; posting of licenses.**

3718 A. As used in this section, "person" means any individual; corporation; partnership; association;  
3719 limited liability company; local government; state agency, including any department, institution, authority,  
3720 instrumentality, board, or other administrative agency of the Commonwealth; or other legal or commercial  
3721 entity that operates or maintains a child welfare agency, adult day care center, or assisted living facility.

3722 B. Every person who constitutes, or who operates or maintains, an assisted living facility, adult  
3723 day care center, or child welfare agency shall obtain the appropriate license from the Commissioner, which  
3724 may be renewed. However, no license shall be required for an adult day care center that provides services  
3725 only to individuals enrolled in a Programs of All-Inclusive Care for the Elderly program operated in  
3726 accordance with an agreement between the provider, the Department of Medical Assistance Services and  
3727 the Centers for Medicare and Medicaid Services. The Commissioner, upon request, shall consult with,  
3728 advise, and assist any person interested in securing and maintaining any such license. Each application for  
3729 a license shall be made to the Commissioner, in such form as he may prescribe. It shall contain the name  
3730 and address of the applicant and, if the applicant is an association, partnership, limited liability company,  
3731 or corporation, the names and addresses of its officers and agents. The application shall also contain a

3732 description of the activities proposed to be engaged in and the facilities and services to be employed,  
3733 together with other pertinent information as the Commissioner may require.

3734 C. The licenses shall be issued on forms prescribed by the Commissioner. Any two or more  
3735 licenses may be issued for concurrent operation of more than one assisted living facility, adult day care  
3736 center, or child welfare agency, but each license shall be issued upon a separate form. Each license and  
3737 renewals thereof for an assisted living facility, adult day care center, or child welfare agency may be issued  
3738 for periods of up to three successive years, unless sooner revoked or surrendered. ~~Licenses issued to child~~  
3739 ~~day centers under this chapter shall have a duration of two years from date of issuance.~~

3740 D. The length of each license or renewal thereof for an assisted living facility shall be based on  
3741 the judgment of the Commissioner regarding the compliance history of the facility and the extent to which  
3742 it meets or exceeds state licensing standards. On the basis of this judgment, the Commissioner may issue  
3743 licenses or renewals thereof for periods of six months, one year, two years, or three years.

3744 E. The Commissioner may extend or shorten the duration of licensure periods for a child welfare  
3745 agency whenever, in his sole discretion, it is administratively necessary to redistribute the workload for  
3746 greater efficiency in staff utilization.

3747 F. Each license shall indicate the maximum number of persons who may be cared for in the assisted  
3748 living facility, adult day care center, or child welfare agency for which it is issued.

3749 G. The license and any other documents required by the Commissioner shall be posted in a  
3750 conspicuous place on the licensed premises.

3751 H. Every person issued a license that has not been suspended or revoked shall renew such license  
3752 prior to its expiration.

3753 I. Officers, employees, or agents of the Commonwealth, or of any county, city, or town acting  
3754 within the scope of their authority as such, who serve as or maintain a child-placing agency shall not be  
3755 required to be licensed.

3756 **§ 63.2-1702. Investigation on receipt of application.**

3757 Upon receipt of the application, the Commissioner shall cause an investigation to be made of the  
3758 activities, services, and facilities of the applicant and of his character and reputation or, if the applicant is

an association, partnership, limited liability company, or corporation, the character and reputation of its officers and agents, and upon receipt of the initial application, an investigation of the applicant's financial responsibility. The financial records of an applicant shall not be subject to inspection if the applicant submits an operating budget and at least one credit reference. In the case of child welfare agencies and assisted living facilities, the character and reputation investigation upon application shall include background checks pursuant to ~~§§ § 63.2-1721 and 63.2-1721.1~~; however, a children's residential facility shall comply with the background check requirements contained in § 63.2-1726. Records that contain confidential proprietary information furnished to the Department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § 2.2-3705.5.

**§ 63.2-1706.1. Inspections of child welfare agencies; prioritization.**

The Commissioner shall prioritize inspections of child welfare agencies in the following order: (i) inspections conducted in response to a complaint involving a ~~licensed, registered, license exempt, or unlicensed~~ child welfare agency; and (ii) inspections of ~~licensed or registered~~ child welfare agencies that are not conducted in response to a complaint; ~~(iii) inspections of license exempt or unlicensed child welfare agencies that have entered into a contract with the Department or a local department to provide child care services funded by the Child Care and Development Block Grant, other than inspections conducted in response to a complaint; and (iv) inspections of license exempt and unlicensed child welfare agencies that are not conducted in response to a complaint.~~

**§ 63.2-1708. Records and reports.**

Every licensed assisted living facility, licensed adult day care center, or ~~licensed or registered~~ child welfare agency, ~~or family day home approved by a family day system~~ shall keep such records and make such reports to the Commissioner as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Commissioner.

**§ 63.2-1720. (Effective July 1, 2020, or earlier; see Acts 2017, cc. 189 and 751, as amended by Acts 2018, cc. 146 and 278) Assisted living facilities and adult day care centers; employment for compensation of persons or use of volunteers convicted of certain offenses prohibited; background check required; penalty.**

3786 A. No assisted living facility or adult day care center shall hire for compensated employment or  
3787 continue to employ persons who have been convicted of any offense set forth in clause (i) of the definition  
3788 of barrier crime in § 19.2-392.02. A child-placing agency or independent foster home licensed in  
3789 accordance with the provisions of this chapter shall not hire for compensated employment or continue to  
3790 employ persons who (i) have been convicted of any barrier crime as defined in § 19.2-392.02 or (ii) are  
3791 the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. All  
3792 applicants for employment shall undergo background checks pursuant to subsection C.

3793 B. A licensed assisted living facility or adult day care center may hire an applicant or continue to  
3794 employ a person convicted of one misdemeanor barrier crime not involving abuse or neglect, or any  
3795 substantially similar offense under the laws of another jurisdiction, if five years have elapsed following  
3796 the conviction.

3797 C. Background checks pursuant to subsection A require:

3798 1. A sworn statement or affirmation disclosing whether the person has a criminal conviction or is  
3799 the subject of any pending criminal charges within or outside the Commonwealth and, in the case of  
3800 licensed child-placing agencies, or independent foster homes, ~~and family day systems, registered family~~  
3801 ~~day homes, and family day homes approved by family day systems~~, whether or not the person has been  
3802 the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth;

3803 2. A criminal history records check through the Central Criminal Records Exchange pursuant to §  
3804 19.2-389; and

3808 neglect.

3809 D. Any person making a materially false statement regarding the sworn statement or affirmation  
3810 provided pursuant to subdivision C 1 is guilty of a Class 1 misdemeanor.

3811 E. A licensed assisted living facility, licensed adult day care center, licensed child-placing agency,  
3812 or licensed independent foster home, ~~licensed family day system, registered family day home, or family~~

However, no employee shall be permitted to work in a position that involves direct contact with a person or child receiving services until an original criminal record clearance or original criminal history record has been received, unless such person works under the direct supervision of another employee for whom a background check has been completed in accordance with the requirements of this section. If an applicant is denied employment because of information from the central registry or convictions appearing on his criminal history record, the licensed assisted living facility, adult day care center, child-placing agency, or independent foster home, ~~or family day system, registered family day home, or family day home approved by a family day system~~ shall provide a copy of the information obtained from the central registry or the Central Criminal Records Exchange or both to the applicant.
